Disarmament Plan Outlined To-day by Germans to Allies

Firm Attitude of Allies at Spa Conference Brings Results and Sessions Continue; Military Experts of Allied Powers and Germany Are Called.

Spa, Belgium, July 7.—(Associated Press)—Decision was reached by members of the German Ministry and military officers attached to the German delegation here this morning to recommend to Constantin Fehrenbach, head of the German delegation, that a plan of disarmament for Germany be presented to the Allied representatives this afternoon. The conference, therefore, will continue.

The conference met again at 3.30 o'clock this afternoon. After a short session between the principal delegates, during which the German statement regarding disarmament was heard, the military experts of Germany and the Allied countries were introduced.

The course of the conference at Spa to-day was a development following the opening session yesterday, when the question of the immediate reduction of the German army from 200,000 to 100,000 men and the surrender of upward of 1,500,000 rifles in the hands of the people, as well as other arms, came up.

Mr. Lloyd George, speaking for the Allied Governments presented what might have been called an ultimatum, but which Dr. Simons, the German Foreign Minister, termed "a very positive demand."

It was decided, after an explanation by Chancellor Fehrenbach, who assured the conference of the pacific intentions of the German people, to adjourn until this afternoon to hear the precise reply from the Germans.

As reported in the dispatch above, the German statement was heard this afternoon.

Dramatic Moment. The most dramatic moment of the session yesterday was when Premier Lloyd George said: "I do not believe that the Germans intend to execute the treaty."

The German Foreign Minister immediately interrupted, saying: "You have no right to make any such remark. We are trying to execute the treaty."

Chancellor Fehrenbach, invoking the name of the Creator, cried: "We are loyally trying to execute the treaty."

German Claims. During the discussion the German Minister of Defence, Herr Gessler, explained the German situation in support of the contention of the German Government that it must have an armed force of 100,000 men to maintain order in the republic. He said there was little difference whether the force was labelled army or police, provided the force was under control of the Central Government.

Gessler insisted that the Allied plan for 100,000 police, broken up into small bodies under local control and without co-ordination, was insufficient to deal with the present situation in Germany, which, he said, was a considerable force.

Armed bands in various parts of the country were pillaging and killing. They were armed with ordinary weapons and machine guns, which they knew how to use. These bands, continued the Minister, were so formidable that they could only be dealt with by a considerable force that could make a combined movement against them.

Added Remarks. After Gessler, Dr. Simons, the German Foreign Minister, added some remarks on the difficulties which might result from the precipitous demobilization of a large number of men from the economic viewpoint.

Spoke Plainly. M. Delacroix, the Belgian Premier, and Premier Lloyd George, insisted upon the necessity of the Germans fixing an early and precise date of the execution of the treaty. Mr. Lloyd George suggested that, in the absence of a precise statement from the Germans, it might be preferable to close the conference.

The outcome of yesterday's session was what occurred at to-day's session, as reported above.

BOARD CONSIDERS OPERATORS' DEMAND

Montreal, July 7.—The board of conciliation appointed to investigate the increase in wages demanded by the operators of the Canadian Pacific Railway Telegraph Company concluded the hearing of evidence this morning privately. The employees, who were well represented, stated their case very fully and the whole question is now under deliberation by the members of the board. As much evidence has to be considered, a few days probably will elapse before the judgment is made public.

TEN KILLED BY BIG EXPLOSION IN FRENCH FACTORY

Dijon, France, July 7.—A violent explosion occurred in a gunpowder factory at Vongnes, near here, this morning. It is known that ten persons were killed and thirty badly injured.

Rumors of Still Another Revolution in Mexico

Eagle Pass, Tex., July 7.—Reports that twelve bridges had been burned in Mexico south of Monclova gave rise here to-day to rumors that a new revolution has broken out in the southern republic. Adolfo Gonzales is said to be heading the new movement.

El Paso, Tex., July 7.—A dispatch to The El Paso Times from its correspondent in Torreon, Mexico, says Francisco Villa has signed an armistice and agreed to cease attacks on trains, garrisons or towns. The rebel chieftain also has agreed to surrender under certain conditions to be approved by Provisional President de la Huerta.

DAMAGE SUIT IS BASED ON CAMPAIGN FOR PROHIBITION

St. John, N. B., July 7.—H. A. Powell, K. C., on behalf of the local executive of the New Brunswick Temperance Alliance yesterday, accepted service in the action for damages brought by D. Mullen, K. C., on behalf of William H. Knox, father of three children whose pictures were used in the prohibition campaign. The name of W. A. Lockhart was added to the list of defendants, making ten in all.

Washington, July 7.—Only one bid for the former German passenger ship Von Steuben was received to-day when tenders on the vessel were opened by the United States Shipping Board. It was for \$1,500,000 from F. Eggen, of the Foreign Trade Development Cruise Project, and action on it was deferred.

Purchase of the vessel is sought for a round-the-world cruise to stimulate American foreign trade.

LIQUOR WAREHOUSE OPERATES IN CALGARY

Calgary, July 7.—Keys to the warehouse of Gold Seal, Limited, were formally handed to them yesterday by the Provincial Police, and they will be permitted to ship out goods.

On Monday, shortly before noon, judgment was formally entered in the case of Gold Seal, Limited, vs. the

Dominion Express Co., which establishes the right of the liquor company to a warehouse in Calgary, where intoxicating liquor from outside the Province may be lawfully received and lawfully kept and a place to which such liquor from outside the Province may be lawfully carried, for the purpose of export to places outside the Province. The judgment also orders that the Dominion Express Co. is bound to receive and carry any liquors tendered to it by the Gold Seal Company.

F. D. ROOSEVELT FOR SECOND PLACE

Chosen by U. S. Democratic Convention as Candidate For Vice-Presidency

San Francisco, July 7.—Franklin D. Roosevelt, of New York, Assistant Secretary of the Navy, was nominated for Vice-President of the United States by the Democratic National Convention yesterday afternoon, and became the running mate of Governor James M. Cox of Ohio, the Democratic choice for the Presidential nomination.

Cries of "Cox and Roosevelt" rang through the convention hall, and were mixed with the shouts of the vote of acclamation by which Roosevelt was nominated without a ballot.

Despite the disinclination of the Tammany organization to accept him, Roosevelt's name went over with a hand-wagon movement, during which all other candidates were withdrawn. James Hamilton Lewis, of Illinois, was withdrawn early by former Governor Dunbar, Governor Stewart, of Montana, announced his own withdrawal; Edward L. Doheny, of California, and former Governor Hawley, of Idaho, were withdrawn; and Major-General D. D. Tyson, of Tennessee, announced that he would not be a contender as did David R. Francis, of Missouri. Nomination of W. T. Vaughn, of Oregon, who had received state primary endorsement, was changed into a second for the successful nominee.

Bainbridge Colby, Secretary of State, who was considered as a candidate and refused to allow his name to be used, finally was urged to consent if he should be "drafted." As it fell out, the Tammany crowd decided to accept Roosevelt, who brought to the ticket the participation of an administration man, and Mr. Colby's name was not considered further.

Not in Doubt.
Mr. Roosevelt was placed in nomination by Timothy L. Ansherry, a former representative from Ohio, who set as a Cox delegate in the District of Columbia, "delegation. Seconds sprang from all parts of the convention hall, and although Roosevelt was not formally nominated until well after the business of nominations had been taken up, there was never any doubt about it, and never at any time was there any opposition.

The seconding of his nomination by Governor Smith of New York, from the Tammany delegation, clinched it.

Congratulated.
Washington, July 7.—President Wilson last night sent Franklin D. Roosevelt, Assistant Secretary of the Navy, who was nominated for Vice-President by the Democratic National Convention yesterday, the following telegram: "Please accept my warm congratulations and good wishes."

NOMINATIONS IN N. S.
Halifax, July 7.—Nova Scotia provincial nominations:
Yarmouth—Hon. E. E. Armstrong and Dr. A. B. Melanson, Liberals.
Liverpool—W. L. Hall, Leader of the Opposition, by Conservatives.

JAPANESE MINISTERS DENY CHARGES

Tokyo, July 7.—There was considerable disorder in the House of Representatives, following charges made by M. Shimada, the Minister of Finance, and Minister of Commerce, Yamato, had enriched themselves by stock gambling previous to the recent financial slump. Shimada based his accusations on newspaper articles which alleged heavy sales of sugar and shipping stocks.

"Once," said Shimada, "the Vice-Minister of Commerce was forced to resign for accepting the gift of a watch from the Stock Exchange, yet members of the Cabinet remain in office despite conduct which ought to put them to shame."

The speaker further charged that the Government had been so eager to protect the interests of certain persons that it prevented the publication of reports of runs on banks. M. Takahashi denied the charges of M. Shimada, while Premier Hara characterized them as mischievous and groundless.

A motion to investigate the charges was defeated by a Government majority.

In the House of Peers, Baron Sakamaki declared that if the Government had heeded the advice of the peers to control prices, a panic would not have occurred.

CANADIAN TOBACCO FOR BRITISH USERS

Ottawa, July 7.—That British tobacco importers, including some of the largest cigar and cigarette makers, were keenly interested in Canadian tobacco growing is the gist of a report made by E. C. Harlan, chief of the tobacco division of the Federal Department of Agriculture, just back from a trip to the Old Land and to France.

Some time ago a representative of several of the large British firms visited Canada to look into the possibilities of Canadian growers being able to handle a larger portion of their needs. It was after his extensive inquiry into the situation here that the Canadian Government sent Harlan to try and interest European buyers further in this Canadian crop.

ADMIRAL SCOTT WINS FROM VICKERS FIRM

London, July 7.—Admiral Sir Percy Scott has won his claim against Vickers, the armament firm, in the law courts, for royalties for inventions involving several thousand pounds sterling.

Mr. Justice Coleridge made some criticisms on Sir Trevor Dawson's evidence for Vickers, remarking that, without being unduly harsh, the impression left on his mind was that Sir Trevor seemed throughout to be trying to recover from the past what he now thought he should have said, or what he now thought would have been wiser if he had said, rather than by giving the court his present memory of what he really did say.

From first to last, there was a want of frankness on the part of the firm in dealing with Sir Percy, His Lordship contended.

TWO VICTORIANS BECOME DOCTORS

Toronto, July 7.—Forty-four candidates have successfully passed the examinations held by the Board of Examiners of the Medical Council of Canada in June, in Toronto, Winnipeg and Vancouver, and will be registered on the Canada Medical Register, according to an announcement made last night by Dr. R. W. Powell, Ottawa, registrar, and Dr. R. Ferguson, London, chairman of the Board.

The forty-four are now qualified to practice the profession of medicine. The names of the British Columbia graduates follow: D. Black, Victoria; W. A. Dobson, Vancouver; M. S. Diver, Vancouver; A. F. Gillis, Merritt; J. E. Harvey, Kelowna; R. C. McCullough, Vancouver; R. Pollock, Victoria; E. Rogers, Vancouver; A. Upham, Mission, and E. R. Ziegler, Vancouver.

OKHOTSK DISTRICT SWEEP BY FIRE

Tokyo, July 7.—Fire has swept the entire fishing district on the western shore of the Sea of Okhotsk, which was leased to Japan under the Treaty of Portsmouth.

The area burned over includes the city of Okhotsk, according to a wireless dispatch received by the Hokkaido Fisheries Company from the steamship Kamchatka.

The financial loss is estimated at \$4,000,000, and so far the fate of the fishermen along the coast is unknown.

The company has asked the Government to dispatch warships to the scene to investigate the origin of the fire, which is believed to have been set by Bolsheviks.

PRIVATE SESSIONS OF LAMBETH CONFERENCE

London, July 7.—The fact that the Lambeth Conference, attended by bishops of the Church of England throughout the world, is being held in private has aroused some criticism in the press, the principal objectors, rather curiously, being The Daily Mail and The Daily Express, which usually are inclined to take more interest in affairs of the moment than the rest of the world.

The Express says that the Conference was discreetly boomed for weeks, and now the journalists have discovered that it is sitting behind closed doors. They were told that a public conference would limit freedom of discussion daily.

Yesterday the discussion at the Conference was on reunion.

FINNISH STEAMSHIP AT RIO DE JANEIRO

Rio de Janeiro, July 7.—What is to be the fate of the Finnish steamship to enter this port has arrived here, the Garryvale, of the Finland Trans-Oceanic Company.

Of more interest to newspaper owners, however, was the cargo—1,000 tons of print paper from Scandinavia for local delivery. The shortage and consequent high price of print paper is the most important question confronting Brazilian newspapers.

SUFFERING OF YOUNG WOMEN

This Letter Tells How It May Be Overcome; All Mothers Interested

Toronto, Ont.—"I have suffered since I was a school girl with pain in my left side and with cramps growing worse each year until I was all run down. I am a children's nurse, and I was so bad at times that I was unfit for work. I tried several doctors and patent medicines, but was only relieved for a short time. Some of the doctors wanted to perform an operation, but my father objected. Finally I learned through my mother of Lydia E. Pinkham's Vegetable Compound, and how thankful I am that I tried it. I am relieved from pain and cramps, and feel as if it has saved my life. You may use my letter to help other women, as I am only too glad to recommend the medicine."—Jean Kent, 42 Blanford Avenue, Toronto, Ont.

Girls who are troubled as Miss Kent was should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound. Those who need special advice may write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. These letters will be opened, read and answered by a woman and held in strict confidence.

Mallek's Clearance Is Still Going Strong

During the opening days of our Annual July Clearance we have transacted a very large volume of business, but there are still a large number of garments to be disposed of. This means, of course, that it is yet possible to make an excellent selection, no matter what your requirements may be.

Two Sample Offerings

A splendid line of Silk Poplin Dresses, in several shades; two styles. Extra special at... \$10

Taffeta Dresses, in a wide range of beautiful shades; four styles. To clear at... \$10

The above are but examples of the many bargains now offering at this store. Every garment in stock has been reduced in like proportions. The savings in many lines are astonishing, and will materially assist towards reducing the high cost of dressing.

See Them To-day.

EX-SOLDIERS TO SUE OTTAWA GOVERNMENT

London, July 7.—The press states that 20,000 Canadian ex-soldiers now in Great Britain will take action against the Canadian Government for arrears of army pay alleged due them through breach of contract. The dispute is on the question of the rate of exchange.

COLLECTING JUDGMENT.

Toronto, July 7.—Arthur O'Leary, former president of the Toronto District Trades and Labor Council, who recently obtained a verdict against James Simpson, a well known labor leader of this city and editor of The Industrial Banner, for \$1,500 damages for libel, with costs, has taken steps to collect on the judgment. It is said members of various local unions will assist Mr. Simpson in the financial obligations involved in the suit.

GREAT MONUMENT OF CLEMENCEAU

Stone Group Is Being Sculptured For Erection in Vendee

Paris, July 7.—Clemenceau is shown at the front, standing at the edge of a trench, with his friends, the French poilus, below and about him, in the monument to be erected in his native country, the Vendee, early next year.

Francois Sicard, the sculptor, is chiselling the group work out of hard Burgundian stone. Unfinished, the work is already said to visualise with great character the scene so often pictured of the old "Tiger," mentally, and almost physically, fighting for France.

The Premier's figure stands eight feet high. He is, as always in the war days, wearing the long, loose overcoat and the soft, slouchy crumpled hat, leaning on a cane. His face is toward the enemy, his eyes watching the horizon, following indications given him by a seated officer with maps, beside him. On his right are grouped soldiers and in the trench below are more of the men in the ranks, looking with mingled astonishment and admiration at their Minister of War.

The scene is said by critics to be vividly natural, rough and muddy, but heroic and full of the color and character of war days.

HAD GREAT LUCK PICKING WINNERS

Elderly Man in Paris Won Over 115,000 Francs on Horse Races

Paris, July 7.—Ragged, hatless and practically shoeless, an elderly man was sitting in a park on the south side of the Seine a few nights since, muttering to himself "fifty, sixty, seventy," the while he was stacking thin little slips of paper one upon the other. He attracted the attention of two gendarmes, for he had apparently been drinking too much wine. He was taken to a station.

The desk sergeant was bewildered when the ragged man explained that the little slips of paper he was counting were good bills of the Bank of France and that the figures he was mumbling represented their amount. He had 115,000 francs.

"I won this money at the races," explained the denizen of the park.

It developed that the man was one Billigot, a former colonial soldier, at times a street newspaper vendor, known to the citizens of Grenelle Ward in Paris as "Father of Luck" or "Father Cherry" (the little fruit being known in the parlance of the Paris gambling circles as the emblem of luck). He had run up 115,000 francs, the amount of his pension paid to him as an ex-soldier, into 115,000 francs.

The police released him, after giving him a little advice about counting his wealth in public parks while slightly under the influence of red wine.

Billigot invested 80,000 francs in a life annuity the next morning, bought a suit of clothes, shoes, etc., and before departing for the Saint Cloud race track called on the friendly police sergeant and gave him a tip on the races for that afternoon. The horse won. The newspaper L'Eclair has offered him 100 francs per day for his racing selections until the end of the season.

COMMERCE BOARD CONTINUES INQUIRIES

Ottawa, July 7.—The new Commissioners of the Board of Commerce held their first meeting yesterday and discussed future operations. It was decided, in view of the questions raised as to their jurisdiction and functions under Part II of the Combines and Fair Prices Act, 1919, which deals particularly with hoarding and taking unfair profits on the sale of necessities of life, not to institute, on their motion, any further investigations with respect to these matters, but to continue inquiries already under way. This course was adopted so that valuable time may not be lost between now and the determination of jurisdiction by the Privy Council, in preparation for public hearings.

PRIEST TO APOLOGIZE TO ARCHBISHOP

Kingston, Ont., July 7.—Rev. Charles J. Mea must apologize to Archbishop M. J. G. Spratt, of the Kingston Diocese, "for the great offence given to his person and authority," pending which apology Rev. Father Mea will remain suspended from the celebration of mass, according to the judgment of the supreme ecclesiastical authorities in Rome, as announced in yesterday's issue of The Canadian, the Roman Catholic newspaper of the Archdiocese of Kingston. This decision has followed an appeal to Rome by Father Mea against his suspension by the Archbishop.

The case arose from a civil action of Sister Mary Basil against Archbishop Spratt for alleged attempted abduction in connection with her removal from this city to Montreal. Father Mea was said to have prevented the attempted abduction and he appeared in court in behalf of Sister Basil, against the Archbishop. Sister Basil was awarded \$24,000 damages.

Father Mea, it is said, fully submits himself to the decision against him.

NEGROES BURNED AT STAKE IN TEXAS

Paris, Texas, July 7.—Irving and Herman Arthur, negroes, aged nineteen and eighteen years, brothers, who last Friday shot and killed their landlord, J. H. Hodges, and his son, William, on the latter's place north-east of Paris, were burned at a stake here last night.

The negroes were captured by Lamar (Texas) County officers and a posse Monday night at Vallant, Oklahoma, and were brought here and placed in jail yesterday afternoon. It was thought there would be no trouble, but later in the day a mob gathered quickly, and finally stormed the jail, on the top floor of the courthouse, breaking down the iron outer door and taking the negroes.

There was no disorder except the yellowing of the crowd as the negroes were brought out. The prisoners were taken directly to the fair grounds north of the city where a stake and fuel had been prepared. There they were burned.

The killing of Hodges and his son is said to have resulted from a dispute over money claimed by the farmer to be owed him by his negro tenants.

JULY CLEARANCE SALE

"THE FASHION CENTRE"

Angus Campbell & Co. Ltd.

Store Hours—9 a.m. to 6 p.m. Wednesday 1 p.m.

JULY CLEARANCE SALE

Exceptional Values at \$2.75

TRAINING MEN FOR SECRETARIAL POSITIONS OF NOTE

New York, July 7.—Men will be trained in the principles of Chamber of Commerce work at a school which will be held in Madison, Wisconsin, this Summer in buildings of the University of Wisconsin. It is known as the Summer School of Community Leadership and is conducted by the American City Bureau, Tribune Building, New York.

This unique school is an outgrowth of an exceptional demand for capable men in the commercial and civic organization field. More than 600 positions as managers, or assistant managers of Chambers of Commerce were filled during the past twelve months, most of them at salaries from \$3,000 to \$8,000 and more.

These men are being recruited from many fields of work. Of 521 Chamber of Commerce secretaries who replied to a recent questionnaire 360—about 70 per cent.—were holding their first positions in this field. This same questionnaire indicated that about 35 per cent. of the men engaged in this work are former newspaper men; 17 per cent. were retail salesmen; 14 per cent. educators; 14 per cent. in transportation work; 11 per cent. salesmen; 10 per cent. in manufacturing. Others have come from the insurance field, state, county and federal government service, the law, real estate, banking, wholesaling, advertising, accounting, agricul-

ture and other equally diverse occupations. Chamber of Commerce work calls for men who can combine keen business sense with a wide vision and broad human sympathies. The work of the manager may involve organizing a credit bureau, leading a citizens' movement to bring about a better form of city government, arranging for the arbitration of industrial disputes, organizing and financing a corporation to provide needed housing, or a score of other equally varied undertakings.

The Summer School of Community Leadership will occupy twelve days—August 16 to 27. This will be its sixth annual session. Last year 191 students attended, and it is expected that the attendance will be larger this year.

CATTLE MEN MAY HAVE SHARES IN TEXAS STOCKYARDS

El Paso, Texas, July 7.—A committee composed of members from the Panhandle and Southwestern Stockmen's Association has been appointed to investigate the practicability of part ownership of stockyards, particularly those at Kansas City and Fort Worth, by cattlemen.

Under a recent ruling of the United States Attorney General, packers must dispose of their interests in stockyards within two years, and this will create an opportunity for the cattlemen to acquire the stock if they desire it.

POPE AGAINST CRIME IN IRELAND

London, July 7.—A dispatch from Dublin last evening said: "Pope Benedict is most desirous that Ireland's national rights should be recognized, said Cardinal Logue, Primate of Ireland, speaking in Armagh Cathedral to-day."

"He added, however, that the Irish people need never expect to regenerate the country by means of crime or bloodshed, and that the Pope was most anxious that they abstain from anything contrary to God's law."

COMMERCE BOARD CONTINUES INQUIRIES

Ottawa, July 7.—The new Commissioners of the Board of Commerce held their first meeting yesterday and discussed future operations. It was decided, in view of the questions raised as to their jurisdiction and functions under Part II of the Combines and Fair Prices Act, 1919, which deals particularly with hoarding and taking unfair profits on the sale of necessities of life, not to institute, on their motion, any further investigations with respect to these matters, but to continue inquiries already under way. This course was adopted so that valuable time may not be lost between now and the determination of jurisdiction by the Privy Council, in preparation for public hearings.

THE RUNNING MATE.

The running-mate of Governor Cox in the presidential elections across the boundary line bears a distinguished name, although it is one which will be prominently associated more with the Republicans than with the Democrats. Franklin D. Roosevelt, Assistant-Secretary of the Navy, who has been nominated for Vice-President of the United States on the Democratic ticket, is a distant connection of the late Theodore Roosevelt, and if he does not share the political beliefs of his famous relative he possesses a considerable proportion of the Roosevelt ability and personality. He has been a capable Assistant-Secretary of the Navy and is regarded as a real source of strength in the campaign which is about to open. The Vice-President of the United States presides over the deliberations of the Senate, but beyond this function his position is largely ornamental. Theodore Roosevelt was nominated for Vice-President by his party managers, who thought by that means to shelve him, regarding him as too intractable to discipline to make a satisfactory President in a party sense. The assassination of President McKinley, however, put Roosevelt in the very place the Republican machineists planned to keep him out of. Arthur succeeded Garfield and Johnson succeeded Lincoln in the same way, but usually the vice-presidency of the United States has been the gateway to political oblivion for its incumbent.

HER ROCK-BOUND CREDIT.

The Department of Research of the Bankers Trust Company of New York has issued a striking testimonial to the soundness of Great Britain's credit. Although, it points out, Britain came out of the world war about 36 billion dollars deeper in debt than when she entered it, only about one-sixth of that obligation is owed to other countries. Her own people hold five-sixths of it. The Bankers Trust Company's statement shows that since 1888, when the British national debt first began to grow large, Britain has scrupulously kept her financial obligations. Prior to the present time Great Britain's debt was heaviest in 1817 at the end of the Napoleonic wars. It then amounted to about four billion dollars and the interest charge alone represented an annual payment of about \$9 a head based on the total population of the country. By 1895 it had been reduced by about a billion dollars notwithstanding that the Crimean war, costing some \$350,000,000, exclusive of pensions, had intervened. The per capita carrying charge was brought down to less than \$3.50 a year.

Heavy taxation, the book shows, has always been levied by Great Britain to enable her to pay her debts. Her people paid in taxes almost four billion dollars to defray part of the costs of the Napoleonic wars, and about half a billion dollars to help pay for the South African war. They paid about 18 billion dollars in taxes to meet their expenses during the world war, or more than one-third of what the war cost Great Britain.

"A moral phase of the situation which is at the base of Britain's credit structure," says the Bankers Trust Company, "is that not once apparently was there even a thought of repudiation—even when the burden of debt pressed heaviest. Fears there were in plenty of the ability of the nation to meet its obligations, but never once a suggestion of trying to get rid of the obligations in any other way than the good old-fashioned one of paying."

AN EXCELLENT RECORD.

During the first six months of the present year the officials of the British Columbia Department of Labor were successful in finding employment for 34,646 men and women. The total number of placements for this period nearly equals the business transacted for the whole of the year 1919 and represents a record for the Dominion of Canada in a relative comparison with the other Provinces. With five times the population, for instance, Ontario's returns indicate that just about double the number of people were furnished with employment during the January to June period, while other Provinces with equal or greater populations are far behind British Columbia.

From the half year's return made public in our news columns yesterday it is also interesting to learn that out of the total number of placements effected no fewer than 11,694 went to returned citizens. It is similarly satisfactory to observe that the margin between the number of vacancies offering and the applicants in search of employment at any given time is indicative of useful co-operation between the employer and the Government's service. The report in itself provides the proof that the Provincial bureaus are doing excellent work.

DISTANCE LENDS ENCHANTMENT.

To an audience which had gathered at the Labor Temple in Toronto for the purpose of forming a Self-Determination League for Ireland Dr. Thomas O'Hagan, of Kingston, declared the Sinn Feiners to be excellent people and Mr. Lloyd George a "little political trickster." As the enthusiasm of the meeting grew, indeed, Great Britain was subjected to a vehement denunciation in appropriate Sinn Fein style. No doubt the doctor is able to regard his compatriots in such a benevolent fashion at three thousand miles distant. The shooting of innocent people and the wholesale murder of officers of the law, of course, is all nonsense; the Sinn Feiner would be merely acting in self-defence and in protest against "English" oppression. It is curious, however, that Dr. O'Hagan prefers to live in a Canadian city and, presumably, earn his daily bread among people who prefer law and order and the benefit of the British institutions, rather than in a land where, on his own confession, eighty-six per cent. of the people are anxious to throw off the British yoke. Is it a case of distance lending enchantment to the view?

MR. LLOYD GEORGE SCEPTICAL.

Mr. Lloyd George plainly is not going to be tricked by any diplomatic jockeying on the part of the German representatives with whom he is now in solemn conclave at Spa. He is reported to have furnished the one dramatic episode in yesterday's proceedings by an exclamation to the effect that he did not believe the Germans intended to execute the Treaty.

Just how far the Prime Minister suspects Germany it is, of course, not possible to discover; but one thing is certain, he was seeking for a categorical denial from one or other of the German delegates. Nor did he have long to wait. The German Foreign Minister promptly assured him that Germany was trying to execute the Treaty, while Chancellor Fehrenbach invoked the name of the Creator in his declaration, "we are loyally trying to execute the Treaty."

This gathering is Germany's opportunity to redeem herself in the eyes of the world. Subterfuge and evasion will avail her nothing. The Allied representatives have gone to Spa to meet the Germans in a real Peace Conference, to present the bill for damage done, which, if paid as rendered, will clear the way for Germany's moral and material rehabilitation.

SUGGESTION WORTH FOLLOWING.

Many of the Swiss newspapers have dropped the hint to the Allied representatives at Spa that it would be prudent to oblige Germany to make known what amount of German capital has been placed in neutral countries since the armistice. It is asserted that no less than two hundred million Swiss francs have been deposited in Zurich banks ostensibly for the purpose of commercial interchange, but more likely to delude her Allied creditors into the view that the Fatherland is completely impoverished and unable to discharge the financial obligations imposed by the Treaty of Versailles. Without a doubt the guardians of Germany's liquid wealth have employed every available means of evading the more galling provisions of the Treaty, and it may be taken for granted that if two hundred millions of francs have gone to Switzerland similar sums have been carefully "planted" elsewhere. The suggestion of an investigation into such investments is a good one and accurate information on the point would strengthen the hands of the Allied delegation at Spa in dealing with the execution of the economic phases of the Treaty.

NOTE AND COMMENT

The Bristol barber who has made up his mind to "jump" Niagara Falls in a barrel has reached Toronto to complete his arrangements. A former skipper of "The Maid of the Mist" has refused to act as his manager because he does not want to be a "party to a suicide." He is quite right; suicide parties should always be limited to one.

OTHER NEWSPAPERS' VIEWS

HIGH COST OF WAR

(The Ottawa Citizen)

Of the United States' national budget for this year, which amounts to somewhat over \$5,500,000,000, sixty-eight per cent. is for expenditure arising from recent and previous wars; twenty-five per cent. is for maintenance of the army and navy; three per cent. is for primary government functions; a little more than three per cent. is for public works, and one per cent. is for education, research and development work. In other words, of the \$55 per capita collected each year for all purposes, \$1.50 is spent for what is called the primary functions of government, almost as much is put into research, educational and development work to promote scientific research, to increase production and efficiency, to develop wealth, to promote public sanitation and to conserve natural resources.

The question is whether it would not be wiser in the long run to increase the share for educational purposes from merely the view point of easier collection of the whole. If the share for development and education purposes were doubled it would be less difficult to collect the \$5,500,000,000 for other purposes. But what strikes the casual reader at once is the tremendous cost of war and militarism. Almost \$4,000,000,000 of the total taxes go for army and navy expenditures in past wars, while almost \$1,500,000,000 more go to maintain the army and navy in time of peace. War and war preparations thus account for ninety-three per cent. of the total budget of a great nation which has a reputation of being opposed to war. The figures are instructive. They are peace arguments that cannot be explained away, and they should furnish a warning to other nations, with far less material resources than the neighboring republic, to be wary of expenditures of a similar nature. War costs are unfortunately unavoidable, and the high cost of fighting is just beginning to be appreciated by the world. The high cost of military establishments is, however, controllable, and nations that would avoid a burden of debt which grows by what it feeds upon, would do well to study the proportion of taxes which goes to unproductive purposes in the United States.

POLICE SEEKING

FORTUNE TELLERS

Gypsies and Palmists Object of Campaign Against the Occult.

A considerable flutter has been caused in local mystic circles by the word that the police are going to proceed against gypsy fortune tellers, and others practicing similar fields of prospective imagination. This will include fortune telling by reading tea cups, by cards, and other methods; psychic phenomena in regard to receiving messages from the departed, spirit rappings, and all similar fields of endeavor.

Section 443 of the Criminal Code, dealing with this subject, makes it possible to impose a term of one year in jail for anyone convicted under this section. The code says in part: "Every one is guilty of an indictable offence, and liable to one year's imprisonment who pretends to exercise or use any kind of witchcraft, sorcery, enchantment, or conjuration, or undertakes to tell fortunes, or pretends to have skill or knowledge in any occult or crafty science, to discover where goods supposed to have been stolen—may be found."

This section of the code, it is stated, is sufficiently comprehensive to include almost any kind of so-called "occult or crafty science," and it is expected that there will be a cessation of such practices once the campaign gets under way.

MAYOR TO PROBE SMOKE NUISANCE

Will Visit District Which Is Said to Suffer From Mill Operations

Mayor Porter, accompanied probably by members of the City Council, intends to visit and examine during the next few days, those districts of the city the residents of which claim that they are subject to the "smoke nuisance" alleged to be caused by adjacent lumber mills.

His Worship and Alderman Patrick intend to visit the district this morning, but before they left the City Hall they were informed by telephone that the wind had changed and that the charred mill sawdust was not at that particular time showering down upon the neighboring houses and gardens. On this account the proposed visit was postponed until such time as the wind changed again.

The Mayor and Alderman Patrick were to visit the vicinity lying to the north and east of the Sawmill district at the invitation of Alderman Albion Johns, whose home is situated on George Road. Alderman Johns, who has headed the fight for the enforcement of the Smoke Nuisance by-law, has described to his colleagues the distressing conditions under which he and his neighbors live. The Alderman told a representative of The Times that when the wind was blowing in a certain direction the charred sawdust escaping from a nearby mill not only soiled the veranda of his house and forced the family to keep the windows closed, but also made it impossible to eat part of the produce of the garden. Last night the Alderman picked some raspberries which, he states, were unfit to eat on account of the sawdust which had fallen upon them. Alderman Johns' purpose in showing his colleagues these conditions was simply to let them see that the protests of the residents were well founded.

PLACE FOR BRITISH LAND WORKERS HERE

Conference With Premier Regarding Immigration of Women Farm Hands

To what extent it might be possible for the British Columbia Government to assist a contingent of the Women's Land Army of Great Britain towards settlement on farms in this Province was the subject of a conference at the Parliament Buildings this morning at which were present Mrs. Eykyn, organizer of the movement in the Motherland; the Premier, and Colonel R. D. Davies, superintendent of the Provincial Land Settlement. Mrs. Eykyn's mission to British Columbia concerns itself with the practical introduction into this Province of the principle of women land workers. Her object in appealing to the Provincial authorities centres in the possibility of financial assistance or official recognition of the plan. Mr. Oliver acquainted himself with the general outline of the proposal and left the visitor in company with Colonel Davies in order that he, as the executive head of the Department under whose jurisdiction a matter of this kind would come, might assemble all the facts in readiness for a further conference to which Mr. Oliver invited Mrs. Eykyn tomorrow.

Local Demonstration Desirable. Colonel Davies explained to The Times after the interview that as far as monetary assistance was concerned the question was one requiring a good deal of careful consideration. He had himself seen the excellent work performed by the women land workers in Great Britain; but he pointed out to Mrs. Eykyn that a demonstration of complete success in the Old Country would not be sufficient inducement for British

Columbia to engage herself to the principle until the rural communities of this Province had themselves seen whether or not the prospective feminine settlers could sufficiently adapt themselves to the somewhat different conditions.

Mrs. Eykyn was appreciative of this fact and similarly was aware of the difficulty attending the granting of financial aid until the plan had proved successful. Colonel Davies suggested, however, that the Government might feel disposed to use a colloquialism, "to mother the cause," to the extent that the machinery of the Land Settlement Board could be used as a means of placing the girls on the farms of the Province by arrangement with the individual farmer—to find them suitable homes, and generally to support the scheme.

Pave Way First. Colonel Davies is of the opinion that by the adoption of this method any scepticism that might exist in the mind of the average British Columbia farmer as to the ability of the girls to adapt themselves to the usages of Western rural life would or would not be dispelled, and the way assisted or hindered for a more general and possible official recognition in a financial way of the proposal in its broader sense. That could might very probably get in his work in the event of any great influx of the younger members of the feminine sex from the Old Land was a suggestion from Colonel Davies which brought the rejoinder from Mrs. Eykyn that British Columbia would be none the worse off were she to attach to herself to the practical woman farm worker from the other side of the Atlantic.

Will Be Discussed Again. The whole question, however, will be discussed with the Premier tomorrow, after which it may be possible for Mrs. Eykyn to make arrangements for an advance guard of pioneers upon whose success the extension of the movement would largely depend, in so far as it applied to any proposal which might be brought under the partial purview of the Government.

DELEGATES LEAVE SAN FRANCISCO

(Continued from page 1.)

gates from King's County, New York, John McCooney, chairman of the King's County executive committee, was in charge. Other noted members of the party included Mrs. John S. Hyland, wife of the Mayor of New York; William H. Delaney, Commissioner of Plants and Structures, New York; Mrs. Ellen O'Grady, of New York, the only woman Deputy Police Commissioner in the United States, and Commissioner William H. Leach, of the New York police force. The party will entrain for the East tomorrow over the Canadian Pacific Railway.

Sale of English Cretonnes is Unusually Interesting

It is an unusual event in many respects. Patterns so refreshingly new and beautiful are rarely provided at prices so exceptionally low. We invite you to see the display in our Broughton Street windows this week-end.

Thirty-Inch Materials

Every shade of consequence and dozens of delightful new patterns are provided in these three groups of splendid values.

Regular 85c to \$1.00 per yard. Sale price only **73c**
Regular \$1.15 to \$1.35 per yard. Sale price only **\$1.00**
Regular \$1.50 to \$1.75 per yard. Sale price only **\$1.30**

Fifty-Inch Materials

For the making of loose furniture covers and curtains the patterns in these groups are infinitely pleasing.

Regular \$1.75 and \$2.00 per yard. Sale price only **\$1.50**
Regular \$2.50 to \$3.00 per yard. Sale price only **\$2.00**
Regular \$4.00 to \$4.75 per yard. Sale price only **\$3.50**

TO TALK ACROSS ATLANTIC OCEAN

Coming of Press Conference Delegates Leads to Wireless Development

St. Johns, Nfld., July 7.—(Canadian Press).—Preparations are being made at the historical Signal Hall for the establishment of communication between Newfoundland and Great Britain by wireless telephone.

The feat of speaking across the Atlantic by wireless telephone already has been accomplished, connection having been established between London, on the one side, and Glace Bay, C.B., the Marconi headquarters, on the other, but in the present instance it is planned to make the scheme much more extensive. The real purpose of the activities of the Marconi Company is to give a demonstration to the Old World members of the Imperial Press Conference, who will shortly be on their way to join the Dominion members in Canada for a two-months' tour of that country.

Three Stations. The object is to have the steamship Victorian, on which the newspaper men are coming across, in constant communication with the land of either side from the day she leaves Liverpool till she arrives in Halifax, and for this purpose a station is being equipped on the Cornwall coast in England, a second at Cabot Tower, Signal Hill, St. Johns, and the third on the Victorian.

SWORE BY BUDDHA IN BUENOS AYRES

Buenos Ayres, July 7.—Permission to swear by Buddha instead of God and the Holy Apostles was granted by the Superior Court of Cordoba yesterday to a young law student of Argentine birth who took oath of membership in the Argentine bar. He sought first to take the oath by my country and my honor, but the court informed him that he would be obliged to take a "religious oath."

The student, it is related, thereupon went to a library and began a profound study of the world's religions, on which he spent several days. He then returned to the court and informed the learned judges he had found that the Buddhist religion was "the most moral and most complete" and asked permission to take oath upon it. The judges consulted musty tomes of Argentine law and decided there was nothing to exclude him from taking such an oath.

NOT MUCH NIAGARA FRUIT DESTROYED

Toronto, July 7.—The reported damage to the fruit in the Niagara Peninsula by the storm of Saturday last was greatly exaggerated, according to George Wilson and R. J. Brydson, agriculture representatives from London and Wolland counties, respectively. They state that with the exception of Stamford Township, the Peninsula escaped with little damage to fruit.

A QUEBEC DEATH.

Montreal, July 7.—Cuthbert Alphonse Chenevert, K. C., formerly a member of the Legislative Assembly, of Quebec, died at his home in Berthierville early this morning.

BODY OF WOMAN FOUND IN LAKE IN NEW YORK PARK

New York, July 7.—The body of a well-dressed woman, in whose vanity bay was found a note asserting she was the wife of Daniel M. Bedell, millionaire clubman, was found early to-day in the lake in Central Park here. Mr. Bedell could not be reached to-day.

ILL STUDENT NAMED RHODES SCHOLAR

Winnipeg, July 7.—Edward Bruce Pittblado, who at the present time is lying critically ill in a hospital here following an operation for appendicitis, has been nominated by the Manitoba University as Rhodes Scholar. The young man is a son of Isaac Pittblado, K. C., chairman of the Board of Governors of the University. During the war he served with the artillery, and later in the air service.

CANADIANS ARE HONORED BY KING

London, July 7.—(Canadian Associated Press).—A list of awards of the Order of the British Empire, published to-day, contains the names of the following Canadians: Charles Norman Barclay, Eva Grace Curtis Marshall, Emery McQuoid, Reginald Moncrieff, Gilbert Murray, George Patterson and Clare Saure, all for conspicuous bravery at explosive factories in Canada.

90,000 BAGS OF SUGAR IN HALIFAX

Halifax, July 7.—The Halifax Herald states to-day that of the 110,000 pounds of sugar stored in 110,000 bags in a shed at the ocean terminal in this city upward of two months ago, waiting shipment to the United States, 90,000 bags still remain, the remainder having been sent on their way.

VETERANS CONSIDER ONE UNITED GROUP

Some Discussion Over Question of Amalgamation With Other Bodies

Amalgamation of all returned soldier organizations was the chief subject under discussion at the meeting held by the G. W. V. A. last night. A committee that has been investigating the question made a preliminary report, and was instructed to carry on with its work.

The local body plans to open a registration department in connection with the employment situation, under the charge of the local manager, in the near future. An attempt to change the meeting schedule of the association was defeated, the first and third Tuesdays remaining the appointed dates. Plans are being formulated for a field day and picnic in which the ladies are being asked to co-operate.

The next general meeting will be held on August 3, when the semi-annual election of officers is due to take place. Comrade Hart in speaking on the question last night urged a full attendance for that occasion.

ANNUAL MEETING OF CANADIAN ASSOCIATION

The sixteenth annual meeting of the Canadian Association of Advertising Agencies was held at the King Edward Hotel, Toronto, to-day.

Practically all the members were present.

W. B. Somerset, the retiring president, occupied the chair. His report, which was received with great interest, surveyed the work of the association during the year and showed a very satisfactory advance in the work of the association.

The new officers elected are as follows:

President, J. P. Patterson of Norris Patterson; first vice-president, E. Desbarats of Desbarats Advertising Agency, Limited; second vice-president, J. E. McConnell of McConnell & Ferguson; secretary-treasurer, A. J. Dene of Smith, Dene & Moore, Limited; member of the committee, R. A. Baker of Baker Advertising Agency, Limited; immediate past president, W. B. Somerset of A. McKim Limited.

HIS "LUCKY DAY," STATES CRAWFORD

"I Never Felt Better in My Life," He Declares After Taking Tanlac

"Tanlac has not only added fifteen pounds to my weight, but has rid me of all my ailments and built me up to where I feel better than I have in a long time," said M. Crawford, a well-known pattern maker, living at 1077 West Second Avenue, Spokane, Wash.

"During the past two years I have been subject to frequent spells of indigestion, which were so severe as to almost lay me out. My appetite left me, and the little I did force myself to eat bloated me up with sour gas and kept me feeling miserable for hours. I suffered with severe pains in my back, and constant spells of dizziness, and was so restless I hardly knew what it was to get a good night's sleep. I lost weight all the time, and got so weak and run down that I had hardly any life or energy left for anything."

"I began taking Tanlac on the recommendation of a friend, and it was a lucky day for me when I did, for my appetite began to improve at once, and I got to feeling better in every way. I have now taken five bottles, and if I ever felt better in my life I don't know when it was. I eat like a wolf of just anything and everything I want, and never have a touch of indigestion, and have built up rapidly, both in weight and strength. I sleep like a log at night, and wake up in the morning feeling bristling with life and energy, and more than ready for my day's work. Before I got Tanlac my work was a drag, but now I do it with ease and pleasure. I certainly ought to think well of Tanlac, for it has brought me back my health, and I am glad to give it my strongest endorsement."

Tanlac is sold in Victoria by D. E. Campbell, corner East and Douglas, and Lane's Drug Store, Reginald Road.

Social Special

At Breadalbane, the minister's residence, a very pretty wedding took place last evening in the presence of an assembly of friends, when the Rev. Dr. Campbell officiated at the marriage of Harold Minckler and Miss Eva Vout, daughter of Mr. and Mrs. George Vout, of Victoria. The bridegroom was accompanied as groomsmen by Sidney Jenkins and Ellis Reid. The bride, who was given in marriage by her father, looked girlish and sweet in a gown of white crepe-de-chine with the conventional veil and orange blossoms, and carried a bouquet of pink roses. She was attended as bridesmaids by Miss Mary Eleanor Minckler, the bridegroom's sister, in a gown of white crepe-de-chine with a pink sash, and carried a bouquet of pink roses; and Miss Gertrude Lillian Vout, the bride's sister, in a pale pink gown, carried a bouquet of pink carnations and roses. After a honeymoon trip visiting the Sound Cities, Mr. and Mrs. Minckler will make their home in Portland, Oregon.

Mrs. R. H. Pooley has gone over to Vancouver for the golf tournament, and, with her sister, Mrs. E. C. Sweeney, was among the guests at the dinner party given by Mr. and Mrs. Newton Burdick last night at the Vancouver Club. The room was charmingly festooned with asparagus fern, while the table decorations consisted of pink carnations, pink tulip and pink-shaded lights. After the dinner the whole party went on to a dance given by Mr. and Mrs. J. G. Fordham.

Mrs. Ralph Smith, M.P.P., has returned to Vancouver from St. John, N.B., where she spent the annual meeting of the National Council of Women as a delegate from the Vancouver, Victoria, New Westminster and Nanaimo councils. Two days after she left St. John, Mrs. Smith was elected one of the delegates to attend the International Council meeting at Christiania, Norway, in September of this year.

H. F. Helmsing, Provincial Secretary of the Navy League, left today on a tour of the northern part of the Province in the interests of the League. He will visit Ocean Falls, Powell River, Prince Rupert, Anyox and Stewart, and expects to be absent from Victoria about three weeks.

Col. and Mrs. B. M. Humble and Kenneth Raymur are among the Victorians visiting in Vancouver for the golf tournament and were among the guests entertained at a dinner given at the Vancouver Club last evening by Mr. and Mrs. Newton Burdick in honor of the visiting golfers.

The Garden Party to be given on the spacious lawn surrounding the lovely home of the Hon. Wm. Sloan, Nanaimo, under the auspices of a Bastion-Chapter, I.O.D.E., on Wednesday, July 14, promises to be one of the greatest social successes of the season. There will be many attractions.

Among the up-island visitors to the city registered at the Strathcona Hotel are General Rice, Mrs. Rice, Major H. A. J. Rice, Mrs. W. Taylor and Miss Taylor from Duncan.

Miss Beth Roberts, of Vancouver, is the guest of Mr. and Mrs. Fred E. Pemberton, who are spending the Summer months at their delightful country home at Finerty Bay.

Mr. R. H. Hope and Mr. and Mrs. C. G. Hamilton, from Port Washington, came in on the Island Princess, and are registered at the Strathcona Hotel.

Mr. and Mrs. T. L. Dunkley, of Somenos, have as their guests for a few weeks Mr. and Mrs. Ronald Kenyon, of Vancouver.

M. A. Curwen, of Shawnigan Lake, and D. N. Gilbert, of Cowichan Station, are among yesterday's arrivals at the Dominion Hotel.

Mrs. M. E. Burdick, of Port Angeles, and George Moore from Tacoma, are registered at the Strathcona Hotel.

The Misses Tiny and Barbara Monteith have returned home after spending the past few months in California.

Mrs. E. D. McLaren of Vancouver, and Miss M. A. Blackburn, of Ottawa, are guests at the Empress Hotel.

Mr. and Mrs. J. J. Cahn and Miss Frances Cahn are registered at the Empress Hotel from San Francisco.

J. Home is staying at the Empress Hotel from Calgary, with Miss Home and Mrs. Sanford, of Winnipeg.

Mr. and Mrs. W. L. Smith and Miss A. S. Boyd, from Calgary, are guests at the Strathcona Hotel.

Mrs. L. G. Hill and Mrs. E. A. Cathcart, of Chelmsford, are new arrivals at the Dominion Hotel.

Mrs. Nicholson, of the Sooke Harbor Hotel, is in town, and is a guest of the Dominion Hotel.

G. L. Lloyd and Mrs. Lloyd are in from James Island, and are guests at the Dominion Hotel.

Mr. and Mrs. M. B. Samson, of Chicago, arrived at the Empress Hotel yesterday.

Mr. and Mrs. E. J. Levy, of Tacoma, registered at the Empress Hotel yesterday.

Mr. and Mrs. C. G. Howard, of Montreal, are guests at the Empress Hotel.

Mr. and Mrs. H. S. Arnold, of Montreal, are guests at the Empress Hotel.

Travel, are guests at the Empress Hotel.

R. M. Wellwood, of Anyox, B. C., formerly of Victoria, accompanied by his wife and little son, has been visiting their former home on Quadra Street. They are en route for Ohio, where they will spend some time at Mrs. Wellwood's old home.

Mrs. Trevor Rant and her three children returned to the city on Monday after spending the past three weeks in Vancouver as the guests of her parents, Mr. and Mrs. P. K. Lindsay, Beach Avenue.

Miss Violet Thicke is over from Vancouver on a visit to her sister and brother-in-law, Mr. and Mrs. Debrore. Mr. and Mrs. S. B. Woods, of Edmonton, are staying at the Empress Hotel.

Mr. and Mrs. J. A. Pratt, of Honolulu, are registered at the Empress Hotel.

Mrs. E. J. Ryan is a guest at the Empress Hotel from London, England.

J. J. Epperson, of Cowichan Lake, is registered at the Dominion Hotel.

Dr. and Mrs. Arbuckle, of Vernon, are guests at the Empress Hotel.

M. L. Mallory, of Naramata, is a guest at the Empress Hotel.

For Spanish Health Centre—An enthusiastic gathering met at the home of the Misses Tolmie at Cloverdale yesterday afternoon and made plans for the holding of a big garden fete in the lovely old grounds of "Cloverdale" on Saturday afternoon, July 17 from 3 till 10 p. m. The proceeds will be devoted to the purchase of much-needed supplies and equipment for the Spanish Health Centre. The preliminary arrangements were made, and it was decided that among the chief features would be music and dancing, the latter to take place on the lawn in the evening.

The weather was all that could have been desired, and the children and elders alike enjoyed the ride through the beautiful country, also the scenery around the farm and the lake being very much appreciated for its splendid bathing facilities.

The teachers and friends enjoyed themselves especially on the farm, receiving from the very pleasant and courteous gardeners some valuable hints upon the all important subject of production.

The kindness of Prof. Stevenson and his staff was very highly appreciated.

It was a very happy party that boarded the train at 4:15 p. m. for Victoria, having spent a very profitable as well as a happy afternoon, the success of which was due in no small measure to the kindness of the B. C. E. R. officials and train staff, who spared no pains to make the day a pleasant one for the children.

The school, according to custom, is now closed for the months of July and August, to reopen on September 12.

Municipal Chapter, I. O. D. E.—The members of the Municipal Chapter, I. O. D. E. have been suspended during the months of July and August and will resume again in September.

Missionary to Speak To-night—Miss Gillies, who is home on furlough after many years with the China Inland Mission in the province of Shanai, will address a public meeting in the hall of the First Presbyterian Church to-night at 8 o'clock. Miss Gillies will sail on Saturday for the Orient.

The members were interested to hear that Miss McNair, who is on her vacation, was taking a month's

At a meeting of the Victorian Order of Nurses, held yesterday afternoon at the headquarters at 114 Rockland Avenue, Miss Shaw, who is in charge during the absence of Miss McNair, reported that 474 visits had been made by the Order during June.

The following ladies attended the meeting over which the President, Mrs. Goulding Wilson, presided: Mesdames Christie, Price, Jardie, William Wilson, Cook and Miss Kennedy.

GARDEN FETE HELPS TO REDUCE BIG DEBT

St. Mary's Ladies' Guild Raised Nearly \$400 For Memorial Hall

The debt on the Memorial Hall of St. Mary's Church, Oak Bay, was reduced by \$400 as the result of the enjoyable and successful garden fete held under the auspices of the Ladies' Guild at "Tor Lodge," the residence of Mr. and Mrs. J. J. Shallcross, yesterday afternoon. The glorious weather attracted many visitors to the beautiful grounds and throughout the afternoon the stalls were surrounded by eager patrons.

Mrs. Scriven opened the fete promptly at three o'clock in the presence of a big gathering. Among the stalls were sold an excellent trade during the afternoon were the linen and towel booth in charge of Mrs. Marshall, Mrs. Crease and Mrs. R. W. Gibson, wools and fancy work, Mrs. W. J. Goepel and Mrs. W. Downes; aprons and children's wear, Mrs. Woodhouse and Mrs. Burroughs; superlatives, Mrs. Ard and Mrs. Cooper; home cooking, Mrs. Bullock-Webster, Mrs. Montclair and Mrs. Hargrave; flowers, Mrs. Misses Beck, Streetfield, Beck and Hay-Dring; butterflies, the Misses Kitty McClure and Lewin; touch-and-take, Mrs. Cowley and Mrs. Nicholson; while the girls' W. A. stall was in charge of Mrs. Spencer Page and the Misses Shortt and Williams. Mrs. Pitts presided over the clock golf and Miss Lucy Angus directed the lawn croquet.

Afternoon tea as served under the direction of Mrs. J. S. Floyd proved a popular form of refreshment, while the heat of the day caused a big rush of business at the ice cream booth, where Mesdames Philip Goepel Woolaston and Sutcliffe presided.

The teachers and friends enjoyed themselves especially on the farm, receiving from the very pleasant and courteous gardeners some valuable hints upon the all important subject of production.

The kindness of Prof. Stevenson and his staff was very highly appreciated.

LOCAL CHARITIES WILL BENEFIT BY ROSE DAY

Although the City Council's refusal to sanction the holding of Alexandra Rose Day in the streets this year was in the nature of a blow to the L. O. D. E., under whose auspices the collection has been held each year, the courtesy of the various stores and banks in permitting the members to take up collections on their premises resulted in the raising of \$628.75 for local charities.

After the deduction of \$2.40 for expenses and \$15.70 (representing two and a half per cent. of the proceeds) for the Alexandra Crippleage in London, where the roses were made, the balance was divided among the following institutions, each of which will receive \$87.24: Protestant Orphans' Home, Victorian Order of Nurses, Women's Auxiliary to the Jubilee Hospital, Roman Catholic Charities, Social Service Council, W. C. T. U. Home and the Children's Aid.

PROTESTANT ORPHANAGE

June a Busy Month With Many Donations and Entertainments For the Children.

At the regular monthly meeting of the Ladies' Committee of the Protestant Orphans' Home yesterday afternoon reports were given for the month of June. Much satisfaction was expressed at the generous response made to the annual Pound Day appeal, and thanks were extended to Mrs. Roberts, whose orchestra contributed much to the pleasure of the occasion; to Mrs. Andrews, Mrs. Hayward and Mrs. Cameron, who assisted in the tea room; to Mr. Richardson for the use of their motors for amusements. The committee expressed their appreciation of the hospitality of Mr. and Mrs. Newton, who entertained the children at a picnic. Generous donations were received from the following kind donors:

"Cloverdale," sugar; Mrs. W. E. Oliver, rolled oats; Mrs. Wm. Ward, flour; Mrs. Miller, flour; D. J. Helme, rolled oats; Mrs. Wm. Adkins, tea; Capt. Neroutos, groceries; Judge Gregory, groceries; Mrs. E. Higgins, flour; Mrs. Wynne, rolled oats and raisins; Mrs. McCulloch, currants, raisins; Col. Peters, brown sugar; Mr. S. Whitley, \$1; Three Friends, sump, milk, rolled oats; Mrs. Arthur Leigh, flour; Major Dupont, jam; Mr. Rylands, Rockside Farm, walnut; Mount Royal Milling Co., Ltd., cheese, \$25; Mrs. Kingham, sugar; Mr. Stath, flour; Mr. Cameron, 1 load killing; Percy James, \$5; Eddy and Andy Hope, toys; Elks Swimming Club, cakes, milk; Congregational Church, cakes, lard; Mrs. Wm. Manney, flour; Dr. Bryant, Dr. Lewis Hall, professional services; The Time and Colonist; Mrs. Abraham Smith, sugar; Miss Gladstone, \$5; Mrs. J. Scott, \$10; A Friend, \$10; A Friend, Mount Tolmie, \$1.

VICTORIAN ORDER OF NURSES MEET

At a meeting of the Victorian Order of Nurses, held yesterday afternoon at the headquarters at 114 Rockland Avenue, Miss Shaw, who is in charge during the absence of Miss McNair, reported that 474 visits had been made by the Order during June.

The following ladies attended the meeting over which the President, Mrs. Goulding Wilson, presided: Mesdames Christie, Price, Jardie, William Wilson, Cook and Miss Kennedy.

Gifts to Women Who Use Jiffy-Jell

Jiffy-Jell users should write to the makers for a list of aluminum molds. Molds, spoons and measuring cups are supplied to users free.

Jiffy-Jell is the one dessert which has the fruit flavors in vials. A bottle of condensed fruit-juice essence comes in the package. So a Jiffy-Jell dessert is a real-fruit dainty. The flavor is not artificial. The sweetening is sugar, not saccharine. Women who once try it will always get it. Your grocer has ten flavors. Try pineapple and loganberry first.

QUAKER BRAND

On Your Picnic

Quaker Brand Baked Beans are baked exactly as our mothers baked them. We follow the same recipe used for generations.

The full rich flavor, baked exactly right, gives a picnic lunch heartiness and satisfaction. They are no trifle to serve. A size to suit your requirements.

at the Theatre

ROYAL VICTORIA

She was the most beautiful girl in all the group of islands, and yet no one thought her even fairly attractive, because the standard was black and fat. Half French and half Javanese, with a foster father who never paid her a compliment, and not enough clothes to even occupy her attention for half a day, she spent most of her time dancing, swimming and climbing the tall trees for coconuts. Nimble as a boy, she was strong and growing more beautiful every day.

The natives called her a swilling name meaning White Almond Blossoms but her foster father called her Mary, and as Mary the beachcomber knew her when he arrived with his bottle of gin as his only asset, and as Mary the New England college boy knew her when he arrived, they thought she was wonderful, so much so they wished to marry her. Thus Clarine Seymour as Mary becomes a very important figure in the story of "The Idol Dancer." David Wark Griffith's latest First National production now showing at the Royal Victoria Theatre.

TO-DAY'S AMUSEMENTS

Princess—"Bought and Paid For."
Pantages—Vaudeville.
Royal Victoria—"The Idol Dancer."
Dominion—"Excuse My Dust."
Variety—"Back to God's Country."
Columbia—"Victory."

DOMINION

The police of San Francisco broke a precedent when they allowed the finish of the big automobile race in

"Excuse My Dust," the Wallace Reid picture at the Dominion Theatre this week, to be filmed on the main street of the city. When Mr. Reid came tearing over the finish line, a mighty cheer went up from the hundreds who were on hand for the novel sight. But one of the bystanders was interested in something else. He saw "Darco" painted across the hood of the Reid racing car. What he didn't know was that the name was a purely fictitious one used just for the picture. He hustled up to Wallace Reid, who had just taken the goggles from his grimy face. Where is the nearest agency for this here "Darco?" asked the spectator. "It seems like a rattling good car and I'd like to own one."

COLUMBIA

The appearance of Joseph Conrad's famous novel, "Victory," as a motion picture produced by Maurice Tourneur and showing at the Columbia Theatre this week, recalls the strange career of this modern master of fiction. Conrad comes by the tang of the sea in all his books naturally. He is a native of Poland, a master in the merchant service, and has roamed the ocean all his life. Until he was thirty years old he understood not a word of English. Then suddenly, as one inspired, he began to write thrilling tales of the sea in that language and to-day has established himself as supreme in this style of fiction. His novels all have an exotic flavor and are written with a disregard of the conventional literary forms that make them all the more fascinating. "Victory" is probably his best and most famous novel. It is fortunate that a man like Maurice Tourneur, with a native love for the sea and an unsurpassed knowledge of motion picture technique, should have been the producer to make it into a Paramount-Artcraft picture.

VARIETY

How a woman who understands and loves animals can get the most savage brute, that would kill anyone else who touched it, is shown in the picture, "Back to God's Country," adapted from the story of "Wapi, the Walrus," by James Oliver Curwood, in "Good Housekeeping" magazine. Nell Shipman, the leading player, who is a great lover of pets, does not hesitate to put her arms around Wapi, a savage brute, when the dog is making every effort to tear the throats of two traders who are gashing the dog. The dog instantly calms from its insensate fury and permits her to pet it. The dog later breaks his chain to follow the trail over the ice to the girl, the only person who has been kind to him. This picture will be shown at the Variety Theatre to-day for the last time.

Critic: "Well, I'll say this—if that's art, I'm an ass. Artist: "Oh, that's art right enough."

NOVEL OFFERING AT PANTAGES THIS WEEK

Mr. and Mrs. Hamilton Douglas present the Douglas Dancers, children who display great talent in a charming dance fantasy in four scenes. They are Seattle children, while Mr. and Mrs. Douglas, who formerly resided here, will be remembered by a large circle of friends who will welcome their re-appearance.

ORPHEUM SEASON TO CLOSE SHORTLY

Friday and Saturday's Shows Will Terminate the Season

Frank Dobson, the acrobatic comedian who is starring in "The Sirens," which will be the headline attraction at the Orpheum, Friday, Saturday Matinee and night, at the Royal Victoria Theatre, will offer one of the brightest musical tableaux that has come this way in many a day. The Sirens of old were, according to tradition and mythology, nymphs of the sea, who by their entrancing music lured sailors to destruction. By its general attractiveness, the piece lures its spectators, but by no means to destruction. It merely cajoles them into a vein of contentment caused by good entertainment. Dobson, himself is a light comedian who is funny without being forced. His methods are clean cut.

A comedy playlet is that of "Mrs. Wellington's Surprise," by George Kelly, with Lottie Briscoe, Jean Barrett, Fredrick Sumner and Granville Bates will provide the piece of resistance in comedy situations which have not had greater impetus in a long time than this little playlet. The cast for this sketch is said to be exceptionally good. The piece is rollicking good fun with bright lines and a new but nevertheless, extremely funny situation.

Ralph C. Bevan and Beatrice Flint will offer a "slight interruption" according to their billing. Their songs are interrupted by talk and the talk interrupted by song, both interruptions making a fast ten minutes. Their act is generally accorded much applause and is considered a big hit.

Will Mahoney will offer his interpretation of "Why Be Serious?" Mahoney is a monologist and is said to be the best in his line of endeavor. Each word of his patter is a gem of truth, humor or wisdom and every word is a stepping stone to a laugh. Jerome and Newell will present "A Chinese Circus." Most people never having been to China, will have to take it for granted that the antics of Jerome and Newell are those corresponding to their billing. Anyway Jerome and Newell promise to provide a large line of comedy which will go far towards rounding out a bill for the week to please Orpheum fans. Edna Showalter, who has gained a reputation as "the girl with a golden voice," occupies a niche in the vocal hall of fame. The range of her voice is three octaves and one full note from G below middle C. She has the pizze of having been a member of the Metropolitan Opera, the New York Symphony orchestra, the Russian Symphony and several other notable organizations. Her act should appeal to the music lovers of this city.

Reo and Helmer will also make their appearance here as a standard Orpheum act, and the bill will be concluded with the usual orchestral offerings and educational pictures.

READY TO CR FALLS IN HOUSEBOAT

Special Constructed Boat to Go Over Niagara Falls

Falls

Much has been written about the number of people who undergo privation to win screen fame. Yet how many would actually risk their lives for a chance to linger in the celluloid spotlight?

This question came up recently when R. A. Walsh, motion picture producer, inserted an advertisement in a New York daily calling for a man to ride over Niagara Falls in a houseboat for a scene in a picture to be presented by the Mayflower Photoplay Corporation. Walsh was determined to invent the scene with all possible realism, hence the call for a man to actually go over the falls. The reward offered was \$1,000.

The applicants came from a varied assortment of comparatively safe and sane occupations. A large number were mechanics; many were seamen and salesmen; three were bank clerks; two were insurance brokers while one was a deputy sheriff. The majority were ex-service men, willing to take any chance.

Included in the number of applicants was Allan Law, brother of the late Rodman Law, and himself a famous dare-devil who rode over the Falls in a barrel several years ago. Another was Frank Dupree, newspaper correspondent who made the first long distance aeroplane flight in 1913—from Dover, England to Cologne, Germany.

A specially constructed houseboat will be used for the scene. It includes the compartment and bulkhead construction principle used in lifeboats and the hull of ocean liners. Tests of the craft show that its scientific construction has reduced to a minimum the risk incurred by the dare-devil who rides over the Falls.

WARNER IS CRICKETER.

H. W. Warner is so enthusiastic about the English game of cricket that he gives his director, Henry King, no end of trouble when it comes to working on his picture. Warner has accepted an offer from the British Overseas Club to play on its eleven during the summer. He was once a star player on the famous Richmond team of London.

WRITES TO RAY.

From one of the wounded soldiers in the San Francisco Military Hospital Charles Ray has received a note of appreciation. Recently 500 veterans of the war were given an opportunity to witness "Paris Green." According to the letter the picture went "right home" and delighted the boys beyond measure.

Not Every Girl Can Make Herself Pretty and Attractive

SOME WHOLESOME TRUTHS EVERY GIRL SHOULD THINK ABOUT

Probably you know just such a girl. Perhaps she is sixteen—good to look at, and pretty—quite interesting because she reflects the graces and charm that give promise of happiness to herself and others. But she is not strong. The color in her cheeks, once so rosy, has faded away—her eyes are listless—the body of spirit and vigor she once possessed are sadly lacking. Parents, friends, this girl needs Ferrozene—needs it that her blood may be renewed—needs it to restore the nerve force that growth, study and the development of her fresh youth have exhausted. This girl will become a queen with Ferrozene—which will restore her color—bring back her old-time energy—give brightness to her eyes and vivacity to her spirits. In Ferrozene every girl finds strength—then she can do things. In Ferrozene there is endurance—that drives away morning tiredness and languor. For the girl or woman that wants to be happy, healthy, winning—who values rosy cheeks, laughing eyes and abundant good spirits, nothing can compare with Ferrozene. 50c. per box, or six for \$2.50. Get it today from any dealer in medicine, or by mail from The Catarthone Co., Kingston, Ont.

Exquisite Blouses of Crepe de Chine Priced from \$7.50 to \$12.00

See Our Display To-morrow

We believe that our showing of lovely Crepe de Chine Blouses in distinctive models was never as fine as it is right now. These beautiful models are made of the finest quality of Crepe de Chine.

AT \$7.50	AT \$9.00	AT \$12.00
A number of styles are offered, including a summery-looking blouse, with square neck and short sleeves, featuring the vest effect, finished with small ruffles of the same material hemstitched in color. This model may be had in flesh and white, but a fine choice of colors is offered in other models.	There is a distinctively new model, which comes in white and flesh, in V-neck and short sleeves. The new pleated frilling is used for trimming and the surprise effect in front forms a loose girdle, which ties at the back, giving the blouse a very pretty finish.	A number of other attractive models are shown. Simplicity of design distinguishes the models at this price, which come in white, flesh and coral. One new style has small ruffles and hemstitching used most effectively for trimming, together with small tabs of black velvet ribbon falling loosely from each side of the collar.
Another attractive blouse to be had in white, flesh and apricot, has a round neck and short sleeves, with front hand-embroidered in silk in contrasting colors. This blouse is fastened at the side front, with very pretty buttons.		Other pretty styles on display to-morrow.

To-morrow from \$7.50 to \$12.00

LAND SEEKERS HERE

Party From Fallon, Nevada, En Route to Central British Columbia.

A prosperous party of land seekers from Fallon, Nevada, are in Victoria on their way to Keresley District, Cariboo, and thence to Fraser Lake, to select land submitted by the well-known surveyor, J. H. Brownlee.

Five members of the Bair family left home early in April. They have moved west and north by east stages in their truck, making it a pleasant camping outfit. From here they will ship their car to Ashcroft, where Mr. Brownlee will join them.

Another family, the Dyers, will tour the upper Fraser Valley, and look the Keresley lands. Of these lands Mr. Brownlee is manager. From Queen's the party will motor to Fraser Lake on the Grand Trunk Pacific Railway. Here the land examination under Mr. Brownlee's direction in Township II, will begin. This township is expected to be settled up this year.

Musical Successes—The University of Toronto held its annual musical examination here June 16. J. A. D. Tripp, of the University, was the examiner. The following pupils of Mrs. Bridges passed successfully and have just received their certificates from the University: Elementary—Miss Margaret Schroeder, with honors; Miss Baxley; Miss Doris Jewell and Miss Marie Hillier. Primary—Miss Addie Morris, Miss Edith Taylor. The following pupils of Mrs. Bridges' studio, Vernon Apartments.**BRIEF LOCALS****Sidewalk on Fire**—The Fire Department was called out shortly after noon to-day to extinguish flames which were consuming a sidewalk and fence at the corner of Bay Street and Richmond Avenue.**Saatchi Grass Fire**—A small grass fire gave the Saatchi firefighters a run this morning, when a vacant field with dried grass took fire on Cuddehul Street. The fire was quickly subdued, no damage being done.**A Mistake in Names**—The charge against G. Voss yesterday, of having liquor in other than a private dwelling, mentioned the Good Eats Cafe and not the Allies Hotel, as stated in The Times. Owing to an error by a witness, later corrected in court, the mistake occurred in The Times report.**Record as Typist**—At the closing exercises of the High School a certificate of proficiency in typewriting was awarded to Miss Mae Dinahale for speed and accuracy in typewriting according to the International Contest Rules, on the Underwood typewriter, by the Commercial Department, Victoria High School, also the instructor's special prize for accuracy of typewriting.**To Speak on Immigration**—Thomas Walker will address the Rotary Club to-morrow on the "Coming Tide of Immigration to British Columbia." Mr. Walker returned recently from London, where he was in charge of the Agent-General's office during the absence of F. C. Wade, K.C., so that he is well qualified to speak on the subject he has chosen.**Given Important Post**—Of particular interest to Victoria Rotarians was the recent election to the presidency of the International Rotary of Peter Snedcor, of the Portland Club. Mr. Snedcor is a member of a club in the same Rotary District as the Victoria Club and, in addition, is well known personally here. His splendid oration was a feature of the big international Rotary convention held in Victoria in April.**To Practice Here**—P. J. Sinnott, who took a high place in the Law Society examinations in the Law Society, and who was called to the Bar on Monday, will practice law in Victoria. He was a student with law firms in Vancouver and Victoria, and also studied law and passed certain examinations in Scotland. Formerly he was secretary to the Mayor and secretary of Civic Committees at Los Angeles.**Prohibitionists Met**—Fifty commissioners of the Prohibition League met at a supper given at the Y. W. C. last night, and made reports from the various wards. Commissioners will again be sent to the public market, and other places to register the names of those who are not already on the voters list. Harold A. Beckwith presided.**Oak Bay Successful**—Collection up to 82 per cent. of total tax levy is the record that has been set by Oak Bay Municipality this year up to, and including, the month of June. The percentage of collection is stated to be a high mark for the municipalities of the Province, and was achieved on top of an increased levy of \$215,000 as compared with \$182,000 of last year. To June last year \$140,000 was collected, while the same relative period in this year saw \$175,000 taken in by Municipal Clerk Ross. It is stated that only levies on property protected by the war relief measure have not been collected.**Will Lose Seat**—The decline in attendance at the council meetings of the Board of Trade is to be made the subject of the following resolution at the Friday luncheon, at 1215 at the Dominion Hotel. "Any member of the council elected at an annual general meeting, who absents himself from three consecutive meetings of the council, and who neglects to submit in writing good and sufficient reasons for such absence shall be deemed to have declined to act, and it shall be the duty of the secretary to report such absence at the following meeting of the council. The council shall thereupon declare the seat vacant, and may fill vacancies arising from this cause."**Police Court**—Charles H. Williams, and Arthur Weldon, two followers of the wayward Bacchus, finished their outings at 3 a. m. this morning by being invited to the local police station. They later were each invited to contribute the sum of \$5 to the expenses of keeping up that institution. Robert Rowan, charged on two counts, one of driving without a motor license, and the other of failure to display a license badge while in operation of an automobile for hire, appeared in court, but the City Prosecutor asked for a remand, as the case was followed by a number of similar cases bearing on the subject.**Whitewear**

The temperature to-day was 59.8 degrees at 3 o'clock, as recorded on the instrument at the Gonzales Observatory.

therefore a remand was granted until Monday next. A Chinaman named Wong, operating the "Victoria Bakery Company," was charged on the information laid by the food inspector, who stated that the man was selling bread without the requisite labels. A penalty of \$10 was imposed on the convicted baker, who, however, did not appear to understand why he had been fined, as he had sold a 17 and 1/2 oz. loaf to the food inspector for 16 oz., and thought that such a generous bonus would absolve for the absence of the label.

Girl's Corner Club—Members of the Girl's Corner Club are expecting a large attendance on Thursday, at the clubrooms, I.O.O.F. Hall, when they will hold the last meeting before closing for the summer vacation. Friends from the Fairfield Methodist Church are making arrangements for the supper, which will be served promptly at 6.15 p. m. The girls are inviting their friends and any business girls or others who have not yet been to the Corner Club are heartily invited. Following supper this will be a short address by Rev. Daniel W. Mews, with Mrs. Walker, have accepted an invitation to be present and will take tea with the girls. There will be a musical programme and presentations will be made to two of the girls who are leaving. The club will reopen for meetings on the first Thursday in September.**YOUNG GIRL DECIDES****Supreme Court Justice Assents Case Is Too Difficult For Him, and Calls in 17-Year-Old Girl.**

Mr. Justice Macdonald, in the Supreme Court to-day gave up a case as too difficult for him, and let a seventeen-year-old girl decide it, as she was directly interested.

The question with which two lawyers and the judge were wrestling with was who should have the custody of this girl. The judge had interviewed with the men and women who wanted her and the lawyers. Then he called the girl into his own room. "One of the most difficult matters a judge has to do is to decide the trusteeship of children," said the judge when he mounted the bench again. "The mother now seeks to have the custody of this child. There is no question of the respectability of all the parties to the action. The father and mother would like to have the child returned to them after the visit she has paid to relatives in Quatsino. She went there when she was fourteen and she is now seventeen."

"She is a clever, bright young lady. And she understands her position in life and my responsibility. She has agreed to relieve me of part of this responsibility by deciding that she will remain with her Quatsino relatives. It would be ineffective and would create a revulsion of feeling if I were to interfere with this decision."

The judge said he hoped her affection for her parents would not be impaired by the action. The judge suggested that after she has remained a short time longer with her guardians she will visit her parents and maintain the affection between the two parties.

AN URGENT CASE.

"Give me some blotting paper, quick!" gasped a woman, bursting into a chemist's shop with a wriggling boy under her arm.

"I don't sell blotting paper," said the chemist, "but I shall be happy to oblige you with a few sheets I keep for my own private use."

"How much would you give to a five-year-old boy?"

"None at all!" declared the chemist, emphatically. "It isn't good to eat, you know," he added. "We don't use blotting paper in our prescriptions." "Oh, don't you?" snapped the woman. "Then perhaps you can tell me what else will soak up ink? This 'ere little brat"—and she gave her struggling offspring a hearty smack—"as just swallowed a bottleful!"—Tit-Bits.

FOREST FIRE RAGES IN SOOKE HILLS.

A fierce forest fire is raging in the Sooke Hills at present, according to reports which reached the Forest Branch of the Lands Department this morning. On receipt of these reports forestry officials immediately dispatched rangers to cope with the blaze, but up to a late hour to-day no information regarding the location of the fire was received in Victoria. A dense column of smoke can be seen from the city rising up above the Sooke Hills between Empress Mountain and Goldstream, and judging by its volume the conflagration is serious.

CALLED TO CALGARY.

Harry M. Hunt, representing Miller and Richard, type foundry and press builders, in various British and Canadian cities, is in the city, but has received a message that the Western Printing and Lithographing Company, of Calgary, has been burned out, and that his services are wanted there.

The fire occurred on Monday morning, and damage is estimated at from \$200,000 to \$250,000. The firm had an extensive lithographing plant, and had published "The Form and Ranch Review."

Will Boost By-Law—The Victoria and Island Development Association is boosting for the Soanich water by-law that will be presented to the people next month, says Commissioner J. D. Thomson, of that organization. "We realize that in building up Soanich, we are building up this city, and that irrigation will mean increased production to the whole of the peninsula, with its resulting increase in attraction to outsiders," he stated. Reeve Watson and Municipal Clerk Cowper will interview Mayor Porter to-day on the question of what support the city is prepared to offer to the irrigation movement in the peninsula.**OBITUARY RECORD**

The funeral of the late Mrs. Eleanor Hemmingsway took place from the B. C. Funeral Chapel yesterday afternoon at 2.15 o'clock, proceeding to the Metropolitan Church, where an impressive service was conducted by Rev. J. L. Batty. There was a large attendance of friends and a beautiful floral offering covered the casket and hearse. Three hymns were sung at the church, led by the Metropolitan choir. "Nearer, My God, to Thee," "My Faith Looks Up to Thee" and "New Every Morning is the Love."

The remains were laid to rest in Ross Bay Cemetery. The funeral of the late Harold Quarmby, who died as the result of injuries received while working at the shipyards on Monday, will be held from the Sands Funeral Chapel to-morrow at 3.30, the Rev. W. D. Spence officiating. Interment will be made at Ross Bay Cemetery.

The funeral of the late Thomas Charles Nelson has been arranged to take place from the B. C. Funeral Chapel on Friday at 2.30 p. m., where service will be held, interment taking place in Ross Bay Cemetery.

The funeral took place this morning from the Sands Funeral Chapel, of Ross Douglas, infant son of Mr. and Mrs. J. H. McMillan, of Toronto Street. The hymn sung was "Safe in the Arms of Jesus," Rev. Dr. Howard officiating. Interment was made in Ross Bay Cemetery.

The death occurred yesterday morning. His late residence, 631 Admiral's Road, Esquimalt, of Archibald Bernard Cameron. He was born in Summerside, P. E. I., and had resided in Esquimalt district for the past thirty years. He was married to mourn their loss his widow and one daughter, Miss Laura Cameron, residing at the above address. The remains will repose at the Sands Funeral Chapel (Bristol Times and Mirror), Sir George Toulmin (Lancashire Daily Post), H. E. Turner (Secretary of the Empire Press Union), Col. Edward W. Watt (Hobbs' Free Press), and A. L. Woodhead (Huddersfield Examiner).

in cash as change. He took the car home.

To-day R. P. Rithet & Co. are suing Mr. Scarf for the car.

Manager Barnes, of Rithet's automobile department, explained in court that Rithet had financed this car to the extent of \$1,400 when Mr. Cartier had brought it over from Vancouver. Cartier sold the car, but failed to pay off all that he owed Rithet's on it when Mr. Scarf gave the \$1,950, it was stated.

In the box Mr. Cartier would not admit that he took home with him to study the Rithet agreement, on which he financed the car. He swore that he "judged it was a sudden death affair of some kind."

Cross-examined by J. A. Aikman, acting for Rithet's, Cartier declared that he had good intentions of paying back the money to Rithet's.

"Did you ever hear that good intentions lead to hell?" asked Mr. Aikman.

Mr. Cartier did not know. "I never heard that," Mr. Justice Macdonald interrupted. "That would be an awful thing. You mean the road to hell is paved with good intentions."

The case is being continued this afternoon.

James Again Starts But Fails to Last Out Game

Tigers Mauled Him For Five Runs in Three Innings; Capitals Tie Up Score But Cy Young Was Unable to Keep Tacoma From Scoring in Sixth; Neighbor Appears in Victoria Batting Order.

Tacoma, 8; Victoria, 6.

Once again Russell James started a game and once again he failed to finish it. The big fellow lasted three innings against the Tigers yesterday afternoon at Tacoma and then shuffled the fate of the game into the hands of Cy Young. In the second inning James was touched up for two runs and in the third inning he was hounded for three more. This was enough for Manager Leard, and when James was due to bat he called him back from the plate and sent Neighbors in to try and land on one of Edwards's shoots.

Then when the game looked about to kill the ball or strike out and he had been taking the count more frequently than anything else of late. Leard has strings on a flashy outfielder, whose name he is not prepared to divulge yet. If he is successful in landing him neither Neighbors nor Zienke will hold a berth with the Capitals much longer.

A Great Catcher.

Tom Hicks, secretary of the local club, came over from Tacoma yesterday on business and he was talking most of the day about the new catcher, Grover Land, who worked in Monday afternoon's game. Tom says he has started the fans in Tacoma and they think he is too classy for this league. According to Tom there will be no base-stealing when Land is working behind the bat, as his peg to second is like a rifle bolt. He also watches first and third like a jeweler watches his diamonds. So the fans here will see a real catcher with their team next week.

The Box Score.

Victoria..... 6
Tacoma..... 8
Runs..... 10
Hits..... 14
Errors..... 1
Batted for James in fourth inning.
Batted for Young in ninth inning.

BABE RUTH INJURED IN BAD AUTO SMASH

Champion Home-run Hitter Overturns His Car on Sharp Curve.

Philadelphia, Pa., July 7.—"Babe" Ruth, champion home-run hitter of the New York American League team, was slightly injured in an automobile accident near Wawa, Pa., early today. The New York team played in Washington yesterday and Ruth, his wife and three other New York players were motoring to New York. Their team was not scheduled to play today.

Ruth was at the wheel of his big touring car. In rounding a sharp curve near Wawa the car overturned. The occupants were thrown out in a lonely section at 2 a. m. Making their way to a farmhouse they had their injuries dressed and were brought to Philadelphia in another motor car.

Later they took a train for New York. The Ruth car was badly smashed.

BOY TO REPRESENT JAPAN IN MARATHON

At least three natives of India will be among the competitors when the starting gun is fired for the Marathon race in the Olympic games at Antwerp. The three, who sail soon for England and Belgium, are P. D. Odhalay (Belgaum, Bombay), Presadnath N. D. Kerkadi (Saitara, Bombay) and B. V. Datur (Sangli State, Poonah). These are not the first Indians to compete in international events. In the inter-theatre of war cross-country championship of last year, a number of them were entered and one of them won, while another finished third. The extraordinary thing about the race was that the Indians ran barefooted. It is said that their form was a revelation.

HAGEN WON FRENCH OPEN GOLF TITLE

Versailles, July 7.—(Associated Press)—Walter Hagen, the American professional, won the French open golf championship on the links here today. Hagen defeated Laffite, his French rival, in the play-off of their tie.

TO TEACH SAANICH KIDDIES TO SWIM

V.A.S.C. Will Perform Praiseworthy Work Among Youngsters

At a regular meeting of the Victoria Amateur Swimming Club last night it was decided to allow all Saanich school children between the ages of ten and fourteen years free use of the dressing rooms and tank on Saturday mornings between the hours of 11 and 12.30 o'clock. Instruction will be under the supervision of a qualified instructor.

An invitation has been forwarded to the V. M. C. A. Swimming Club to send a polo team to the V. A. S. C. next Tuesday to play a practice polo game.

The V. A. S. C. junior relay team leaves here on Friday evening to compete in the Vancouver gala on Saturday. Mr. Dunn will be in charge of the party.

The regular weekly club handicap was run off last night and resulted as follows: Tom Wellburn, first; J. Clyde, second, and I. Plumb, third.

A social evening will be held in the Carter Hall Friday evening to bid farewell to Mrs. Armstrong, who is leaving shortly for England.

JOCK McNEILL IS NOW ONE OF THE BENEDICTS

Swimming circles have been among during the last few days over the latest addition to the ranks of the Benedict in the person of Jock McNeill, the popular captain of the V. A. S. C.

Jock has set the pace for the swimmers of the Province for the past ten years, and has kept Victoria well to the fore in this respect during that period. His record has been a long series of victories punctuated only by rare intervals by a reverse. Amongst his achievements the most noteworthy are the Canadian half-mile championship and record, also numerous British Columbia records, and President's Cup for the British Columbia all-round championship.

Jock's latest step probably marks his retirement from individual competition. He will devote his energies in future to bringing out the youngsters of the club, there being some very promising material. He will also represent his club in team events, and will remain their mainstay in the polo team.

The members of the club have presented Jock and his bride with a handsome time-piece, suitably engraved.

POLO TEAM PRACTICE

There will be a polo practice of the Elks' polo team to-night at 7 o'clock at the Elks.

Juniors Will Row Friday and Seniors on Saturday

Programme and List of Entries in N. P. A. A. O. Regatta at Shawnigan Made Public By Bays, Who Are Conducting Racing Classic; Greatest Competition in Its History.

Never before in the history of the Pacific Northwest has so much interest been taken in rowing as is now being displayed in the N. P. A. A. O. regatta which is to be held at Shawnigan Lake on Friday and Saturday of next week. Four rowing clubs will defend their colors over the tranquil waters of the up-Island course. This will be the first real test of the oarsmen of the respective clubs since the outbreak of the war six years ago. All the cities in the Northwest will have their eyes on the news which flashes through from Shawnigan next week.

Thousands of Victorians will go to Shawnigan to witness the races and there will be hundreds of spectators over from Vancouver and the American side. Saturday will be the big day of the regatta, and a special train is to leave Victoria at 1.15 o'clock in the afternoon, returning at 1 o'clock the next morning, which will give everyone a chance to attend the flannel dance to be held that evening.

Club Colors.

Spectators will be able to keep posted as to the leaders in the various races by remembering the colors of the clubs. The Portland Rowing Club will be blue and white, the Vancouver Rowing Club, scarlet and white; the Coeur d'Alene Rowing Club, maroon and gray; and the James Bay Athletic Association navy blue and white.

The officials of the club this morning gave out the complete programme and the regatta together with the entries in each event. In all senior events, the winners of the juniors will be allowed to enter and this will greatly increase the keenness of the competitions. All junior events will be competed for on Friday, and the senior races will be contested on Saturday.

Friday's Events.

The races for Friday and the entries are as follows: 3 p. m., junior singles—Jack McDonald, Vancouver Rowing Club; A. Mariacher, Vancouver Rowing Club; C. B. Boynton or Fred Williams, Coeur d'Alene; P. Hay-Currie, J. B. A. A.

3.30 p. m., junior fours—Portland, F. A. Abraham (s.), H. E. Ditzum (s.), L. V. McCumsey (s.), W. Gregory (s.); Vancouver, C. G. Beeston (s.), J. F. C. Sweeney (s.), G. H. Clark (s.), D. N. Hossie (s.), and A. Mariacher (s.); S. A. Kyall (s.), W. H. Poupore (s.), A. M. Grimmett (s.), J. B. A. A. R. D. Travis (s.), V. Bendroit (s.), F. Frost (s.), C. E. Armbrister (s.). 4 p. m., junior doubles—Portland, Jack McDonald and George Gore, Vancouver, F. B. Fellows and W. H. Fletcher; Coeur d'Alene, C. B. Boynton and G. C. Colquhoun; J. B. A. A. M. A. Kent and J. H. MacLaren and V. Bendroit and H. Bendroit.

Saturday's Events.

Saturday's events and entries will be as follows: 3 p. m., senior singles—Portland, A. Leander; J. B. A. W. Kennedy; also winner of junior singles. 3.30 p. m., 140-lb. class fours—Portland, A. W. Lingans (s.), L. P. Oldie (s.), W. M. Beveridge (s.), D. Cowan (s.); J. B. A. A. A. MacLachlan (s.), J. Riddell (s.), D. Hartley (s.), H. Watson (s.); Vancouver, R. Cummins (s.), T. Temple (s.), C. W. Paulson (s.). 4 p. m., senior fours—Portland, E. A. Stevens (s.), Louis Mills (s.), Ben Kiskie (s.), Jack McDonald (s.); J. B. A. A. J. A. Wickson (s.), D. Moore (s.), W. S. Day (s.), J. Y. Simpson (s.); also winners of junior fours.

4.30 p. m., senior doubles—Portland, George Gore and Fred R. Newell; J. B. A. A. M. A. Kent and J. H. MacLaren; also winners of junior doubles. Other Events.

Besides the international races the Bays have arranged for a number of canoe, swimming and lapstreak races. Large entries are expected in the following events: Single paddle canoe; crab canoe race, tandem canoe, men; tandem mixed, ladies; four-paddle canoe; relay canoe race, hurry-skurry and greasy polo. The swimming races will include 50 yards, senior; 50 yards, boys under 18 years; 25 yards, ladies and 100 yards, senior. All swimmers must have their amateur cards. The swimming races will be held under the direction of the C. A. S. A., and the rowing events have been sanctioned by the B. C. A. A. U.

A lapstreak race will be rowed between crews from the Shawnigan Lake Athletic Association and the J. B. A. A. The up-Island boys thought they were not strong enough for the big races but were anxious to be in the regatta, so induced the Bays to put on a special race in which they could compete.

Fine Entertainment.

Every effort is to be made to make the visiting oarsmen enjoy themselves on the stay at the Lake.

TENNIS TOURNAMENT BOOKED FOR VICTORIA

Spokane, July 7.—Officers of the North Pacific Lawn Tennis Association were elected at its banquet last night, as follows:

Honorary president, Sam L. Russell, Seattle; president, H. G. Garrett, Victoria; vice-president, Henry Hewitt, Tacoma; secretary-treasurer, E. V. Young, North Vancouver.

Executive Committee—T. W. Bailey and Seth Richards, Spokane; D. M. Gordon, W. Boucher, Victoria; A. B. Wallace, Scott, Gerald Todd, Tacoma; W. A. Goss, Catlin Wilfred, (Irvington Club), Portland; H. W. Green, E. V. Young, North Vancouver; Marshall Allen and A. G. Pringle, of Seattle.

The 1921 tournament will be in Victoria.

Employer—"And what did he say when you asked him to pay the bill?" Clerk—"He said he'd sound me to a pulp and give me to his dog to chew up."

Employer—"Well, go back and tell him that he's greatly mistaken if he thinks he can frighten me with his threats."

Big Yachts in Dock for Final Grooming for Race

Shamrock IV. and Resolute Being Officially Measured
to Determine Time Allowances; Question Is Whether
Challenger's Rig Will Stand Up to Enormous Power

New York, July 7.—Shamrock IV., challenger for the America's Cup, was put into drydock yesterday at Erie Basin, Brooklyn, where she will be joined to-morrow by the cup defender Resolute.

The two yachts will be officially measured and will receive a final overhauling for the international races which begin July 15.

Toronto, July 7.—In response to the request of the Canadian Press, Ltd., for an interview on the prospects of Shamrock IV. in the approaching America's Cup contests, Commodore Amelius Jarvis, the well-known Canadian yachtsman, who has taken part in the trials, has been good enough to prepare the following:

"The Shamrock IV., the challenger, and the Resolute are as different in type as it is possible to be imagined. Yachtsmen will be interested to know that the reason for this is that the conditions of the race for the America's Cup are not similar to the racing rules, in which all other American yachts take part. Yachtsmen will understand when I say that in this race classification is governed by water line length, whereas time allowance is governed by rating, whereas in the racing rules for all clubs in Canada and the United States classification and time allowance is given for rating.

"Heretofore, Americans have always out-built their opponents, being prepared to pay in time allowance for their excess rating, and experience has shown that it paid. In this case, Charles Nicholson, the designer of the Shamrock IV., has out-built them and proposes to pay for his excess power and sail area.

Advantage in Lightness.

"In the matter of lightness of construction the Shamrock has an advantage of probably ten to twelve per cent., thus lowering her centre of

gravity and giving her greater ability to carry sail, which she has taken full advantage of, and as her sailing lines are very much longer she would be much faster through the water.

"The whole question is—Will her rig stand up to her enormous power?"

It is an undisputed fact that one of the most important events in the world of sports is an international yacht race for the America's Cup. What creates the enthusiasm on the part of millions of people who do not know a boom from a gaff is now one of the wonders of the sporting world. Still it is the case and must, therefore, be accepted without comment.

The only solution to the mystery lies in the fact that the lay mind is astonished by the tremendous sums that have been spent in races for the America's Cup. That men are willing to spend a million dollars to defend a piece of silver that originally was worth only 100 guineas appeals to the popular fancy.

When Commodore Stevens and his associates originally gave the "100

guineas cup" to the New York Yacht Club to be a perpetual trophy for international racing they never dreamed that a race for the bit of silver would cost as fortune.

What Races Have Cost.

According to reliable information, Sir Thomas spent \$300,000 in his first attempt to capture the America's Cup. That was in 1899.

In that year, Columbia cost the New York Yacht Club \$269,000 to build and race. Defender was used as a trial horse that year, at a cost of about \$60,000. The series cost the club at least \$15,000, of which at least \$2,000 a day was spent for tugboats and other vessels. In the rough, it cost the organization \$235,000 to defend the cup.

Shamrock II. cost Sir Thomas \$450,000. Constitution was built at the cost of \$250,000 to defend the trophy. The club spent a good \$20,000 on the series, making a grand total of more than \$400,000 for the race. By that time, the contest had become a million dollar affair.

In 1903, Sir Thomas built the third Shamrock. He also brought the first Shamrock over as a trial boat. When he went back home his bank account was shy \$600,000. The cost of the defence that year was equally as much. The Reliance was the defender and was built and raced at a cost of \$455,000.

Shorter Top-Mast.

A new and shorter top-mast has been fitted in Shamrock IV. and gives her a reduced sail spread and consequently a lower "rating." While she will still have to give Resolute time allowance it is possible that the amount now stands very close to five minutes on a 30-mile course. It was formerly estimated at six minutes and fifty-five seconds.

Reducing sail area in order to reduce time allowance seldom pays. But Charles Nicholson knows what he is about.

FOOTBALLERS TO HOLD FIELD DAY, AUGUST 21

Saturday, August 21, will be a big sporting day in Victoria, when the Victoria and District Football Association will stage a field meet. An energetic committee is now working on the programme and other matters in connection with the affair. There will be a five-man-a-side soccer tournament, tug-of-war, sprints and other events which will bring out the best that are in the footballers of this city.

GREAT INTEREST IN TO-NIGHT'S BALL GAME

Fans who line themselves up behind the amateurs are taking a great interest in the game which is scheduled for this evening at the Stadium between the Elks and the Knights of Columbus. The Elks are anxious to drive on towards the pennant while the Knights realize that if they are to get out of the cellar and remain a contender for the bunting they will have to win to-night's clash.

The game will start at 6.30 o'clock.

INDIANS WILL RACE IN THEIR BARE FEET

Although long distance running among schoolboys is not generally encouraged in this country, for reason of the doubtful physical benefit resulting, a different idea prevails in Japan, where the leading representative of the country in the Olympic Marathon will be a 16-year-old boy. The youth's name is K. Yashima and he is said to be possessed of remarkable stamina. In a trial meet in Japan he won the Marathon event in 2 hours 36 minutes and 54 2-5 seconds, a remarkable performance for one of his youth.

DEMPSEY-BRENNAN BOUT NOW TALKED OF

New Orleans, La., July 7.—Johnny Abrams, boxing promoter, announced last night that he had wired Jack Kearns, manager of Jack Dempsey, champion of the world, an offer of \$50,000 guarantee for a 20-round bout between Jack Dempsey and Bill Brennan, here in the Fall.

PROMOTER LOST MONEY ON LIGHTWEIGHT FIGHT

Benton Harbor, Mich., July 7.—Although the arena in which the Leonard-White fight took place was jammed beyond its capacity, Floyd Fitzsimmons, promoter, faces a loss of about \$10,000.

Official count of the net receipts showed a total of \$45,236, while it had been figured a capacity house should have totalled about \$60,000. Leonard received \$19,744. He had been guaranteed \$15,000 with a priv-

START INSTALLATION OF ENGINE UNITS

Machinery Is Being Placed
Aboard Canadian Winner
at V. M. D. Plant

A start was made to-day installing the engines aboard the recently launched Government steamship Canadian Winner, which, since being sent afloat from the Harbor Marine yard at Hospital Point, has been moored alongside the wharf at the Victoria Machinery Depot.

The engine units were delivered here by the Toronto engineering firm of John Inglis & Sons this week, the shipment being delivered into the yard over the Esquimalt & Nanaimo Railway. The machinery was yesterday transferred to a scow at the Hospital Point wharf and towed to the upper harbor plant. The shear-legs at the Victoria Machinery Depot is being utilized for the hoisting and lowering of the engine parts into the hold.

As soon as the engines and boilers are installed the Canadian Winner will run her official trials at Parry Bay, and on being accepted by the Dominion Government will go on berth to load cargo for Australasia.

Car-Ferry.
At the Harbor Marine plant No. 1 ways has been cleared of the launching debris in readiness for the laying down of the steel car-ferry which the company is building to the order of the C. P. R.

It was announced at the plant to-day that construction on the car-ferry would be commenced in about two weeks.

The company has contracted to deliver the ferry to the C. P. R. this fall.

MAGICIAN THROUGH PANAMA.

The Harrison Direct Line steamship Magician, Capt. Herbert Russell, reached the Panama Canal zone July 1 from this port. She sailed from Cristobal July 3 for London and Liverpool.

FREIGHT HANDLERS REFUSE OFFER OF SETTLEMENT BY C.P.R.

Vancouver, July 7. — F. W. Peters, General Superintendent of the C.P.R. for British Columbia, offered the waterfront Freight Handlers' Association a monthly wage of \$115 for men of three years' experience at yesterday's session of the arbitration board which met to settle the wage dispute between the association and the C.P.R. The offer was refused by the representatives of the association.

TAKES OUT LUMBER FOR VALPARAISO

Steamer Agylla Finally Puts
to Sea; Snoqualmie Is
Chartered

After taking aboard bunker coal at Union Bay, the wooden steamer Agylla, which last week completed loading over a million feet of lumber at the Outer Docks, dropped her pilot off here about noon to-day and proceeded to sea for the west coast of South America. The Agylla's cargo is consigned to Valparaiso, Chile.

The Agylla is one of the five vessels of the United States Shipping Board's wooden fleet laid up on Lake Union, Washington, following the suspension of the American wooden shipbuilding programme, purchased by the National Oil Company, of New York, and equipped as steamships at Seattle.

The Adria, the first loaded lumber at Genoa Bay for South Africa and left here a short time ago for Cape Town. The Agon is carrying lumber to Sydney, N.S.W.

The Broxton, a 5,500-ton carrier, is taking lumber from Vancouver and Genoa Bay for Melbourne, her cargo amounting to about 1,500,000 feet. The sister ship Snoqualmie, the last of the National fleet, has just been chartered by J. J. Moore & Co., of San Francisco, from the Universal Shipping & Trading Co., at Seattle, at the rate of \$12 net a thousand board feet. The vessel will have her trials next week and will go on berth for Australia.

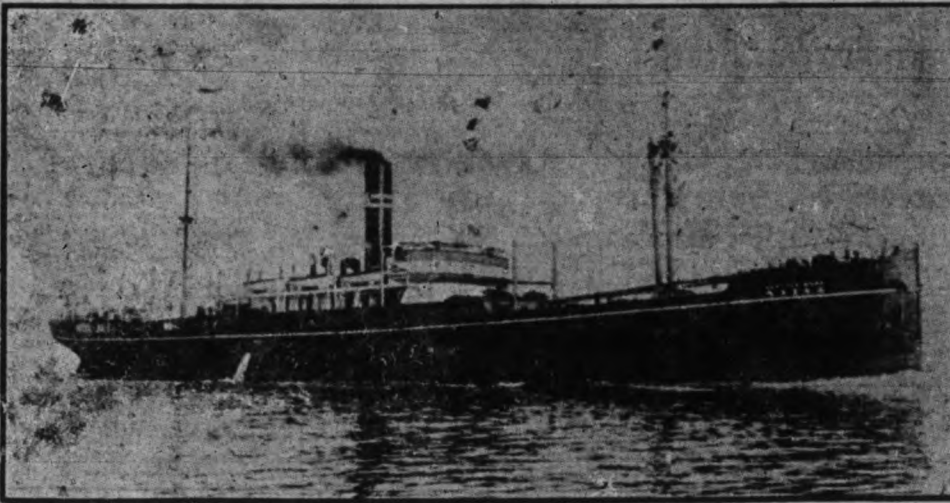

The Broxton and the Snoqualmie are said to be the largest wooden ships afloat.

Much lumber is now moving offshore from British Columbia mills. The Canadian Trading Company has two sailing ships under charter to load at Vancouver and on the Fraser River this month.

HEADED THIS WAY.

The steamship West Kader, bound from Cardenas to Vancouver, B.C., was reported at Cristobal, July 3.

MAKING HER LAST VOYAGE HERE

O. S. K. LINER CHICAGO MARU

The Chicago Maru is due here July 12, and upon her return to Japan she will be transferred to the South American trade, following in the wake of the Mexico Maru and other ships of this type which for many years have been regular carriers in the trans-Pacific trade.

In the near future the O. S. K. will add two new 10,000-ton liners. This will give the Japanese company six liners of 10,000 tons each on the North Pacific route.

CANADIAN IMPORTER COMING TO ESQUIMALT

Canadian Inventor Will Also
Be Handled by Yarrows
This Week

The Canadian Importer, first of the Canadian Government Merchant Marine fleet to complete the round trip to Australasia, is due to enter the Esquimalt drydock on Saturday for inspection and painting. Yarrows Ltd., of Esquimalt, will do the work on the Government ship.

The Canadian Importer is now at Vancouver discharging 8,000 tons of general freight from Melbourne, Sydney, Auckland and Wellington. Captain A. O. Cooper highly praises the ship on her initial performance and considers conditions excellent for the profitable operation of Government vessels between British Columbia and the Antipodes.

Mr. and Mrs. R. T. Riley and Mr. Gunn, of Winnipeg, were passengers from Australia by the Canadian Importer. Mr. Riley is a director of the Canadian Government Merchant Marine, while Mr. Gunn is a departmental manager of the Timbony Bay store at the Prairie metropolis.

The Canadian Importer left Vancouver for Australia February 28, and it is the intention of the Government to give the vessel a thorough overhauling before she sets out on her next voyage. After leaving the drydock at Esquimalt the vessel will return to Vancouver to begin loading for Melbourne and other Australian ports.

LYALLS AWARDED LARGE SUM FOR BREACH OF CONTRACT

Vancouver, B. C., July 7. — Judgment was signed here yesterday for \$134,815.57, in favor of the Lyall Shipbuilding Company against Raymond Van Hemelryck, agent of the Belgian Government. The sum for six five-masted schooners, purchase of which was cancelled before delivery. It is the largest sum for which judgment has ever been given in British Columbia.

The Canadian Inventor, built at the Coughlan yard for the Government, will enter Esquimalt drydock for cleaning and painting before going on berth for her maiden voyage to Australasia.

VANCOUVER HARBOR COMMISSIONERS TO ENFORCE NEW TARIFF

Vancouver, July 7. — The local harbor commissioners have expressed firm determination to enforce the new tariff of cargo rates.

A Board of Trade committee, interviewing the commissioners, were given to understand that the transportation companies will absorb the new charges of five and ten cents a ton on through cargo from Eastern points to the Orient, and vice versa, and that local shippers will be called on to pay the tariff on local freight.

MAY BE REFLOATED

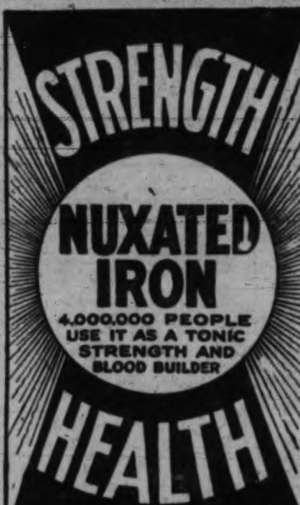

Halifax, July 7. — (Canadian Press) — The United States Shipping Board steamship Lake Elwyn, Captain Beverley, which struck an uncharted submerged rock six miles off Eddy Point, Monday afternoon, and was beached at Sandy Point, just inside of Eddy Point, is in no danger and likely will be refloated.

FUSHIMI MARU IS CROSSING PACIFIC

With passengers and Oriental cargo for Victoria and Seattle the Nippon Yusen Kaisha liner Fushimi Maru sailed from Yokohama July 1. The liner is running on schedule and will reach this port July 14.

On this passage the Fushimi Maru is commanded by Capt. M. Machida, formerly of the Kashima Maru, who has succeeded Capt. T. Iriwaka.

The N. Y. K. liner Kashima Maru will leave port this evening on her outward voyage to the Orient.

MEDICAL OFFICERS WANTED FOR NAVY

Applications For Two Appointments Invited By Department of Naval Service

Applications are invited by the Department of Marine from gentlemen who served as medical officers in the Great War to enter the naval service as Surgeon Lieutenants, R.C.N.

Two appointments are to be made at the present time. The period of service is three years, but may be extended to five years. The pay is \$5 per day with an equipment allowance of \$250. Surgeon Lieutenants withdrawing at the end of three years satisfactory service will receive a gratuity of \$1,000. Those with five years satisfactory service will be entitled to a gratuity of \$1,500.

Applications must be filed with G. J. Desbarats, Deputy Minister of Naval Service, prior to August 1. Full particulars and qualifications required may be obtained by application to the Department of Naval Service, Ottawa.

FINE EXHIBITS

PLANNED FOR
SAANICHTON FAIR

Special Effort Will Be Made
This Year to Encourage
Boys and Girls

There will be gala days on the Saanich Peninsula on September 13 and 14, when the annual exhibition of the North and South Saanich Agricultural Society will be held at Saanichton.

The prize catalogue, quite a pretentious volume, will be in the hands of those interested at once. The show has a strong committee this year, headed by ex-Councillor Tanner.

While the directors are all practical farmers of the Peninsula, leaders in their various forms of agriculture and horticulture.

The fair has been extended over three days, so that exhibitors can have more time in which exhibits can be brought to the hall.

In order to encourage boys and girls in the schools to take a practical interest in agriculture, special prizes are being offered for farm, poultry and rabbit exhibits raised exclusively by school pupils, and auxiliary with these classes are the contests for the Canadian Bankers' Competition.

Apart from farm classes, which will more or less appeal to children in the country districts of the Peninsula, there are some awards offered which should be a direct incentive to the children in the suburban sections. A gold medal, for instance, being offered for the best exhibit of five standard garden food seed crops, while there are prizes for the best collections of garden produce grown in home gardens, and to be school supervised.

All the classes for stock, fruit, poultry, roots and vegetables, grains, seeds, dairy produce, and so forth, which have been popular in past years are again to be found in the list, and again special attention will be directed to the ward exhibits, which is one of the best community efforts of Saanich Cottage Gardeners each season.

SMALL SUBSCRIPTIONS
ARE ALL WELCOME

Jewish Relief Committee
Total Now Stands at
\$10,193

The appeal of the Jewish Relief Committee for small collections is resulting in a continuous stream of sums ranging from ten cents to ten dollars, over \$100 having been donated yesterday, most of the donors even refusing to give their names or to take receipts.

The total for Victoria this morning is \$10,193.42, with practically all the up-Island points to be canvassed. The largest individual subscription, so far, is \$500, donated by one of Victoria's Jewish citizens, other large sums being five of \$100, one of \$75, thirteen of \$50, with a fair scattering of \$25, a number of \$10 and \$5, but by far the greater number of donations range from \$5 down to fifty and twenty-five cents.

A well known writer upon the subject of war relief states, in course of an impassioned appeal for funds "I believe that every one who gives a penny will get it back a hundred-fold. I believe that every one who dries a tear with his assistance will be spared the shedding of a thousand tears. I believe that every sacrifice we make will so enrich us in the future that our regret will be that we did not sacrifice the more. This thing of giving—a glorious privilege it is—how meaningless now is the money that is hoarded? How hateful to himself and to his fellows is he who does not answer to the call for aid."

The office of the Relief Committee is at 1317 Government Street and is open for the receipt of donations from nine in the morning till late at night.

SOUTHERN RELEASE

MEANS CHEAPER HAY

Good Season in Montana Will
Divert Yakima Crop Here;
Local Situation

With Timothy hay selling at \$46 a ton, the local market is struggling along on the limited supply that can be obtained. The hay situation for the coming season, however, shows distinct signs of promise, in that a change in the markets of the Southern States will leave them free to export a considerable quantity into the Pacific Northwest. For this reason it is being stated that local prices that there is every prospect of a distinct drop in hay prices and in many other allied lines with the beginning of the southern shipments in September. Meanwhile contracts are in many cases delayed pending finality in the market.

The Victoria and most of the B.C. coastal markets are supplied with hay from Yakima, and during the last few years Yakima has been kept busy feeding the markets of Montana, which latter suffered severe losses in crops during those years. This year, however, Montana is well on its feet again, and the Yakima product will come north in large quantities than previously, and it is expected at a very much more favorable price. The Yakima is alfalfa hay and the second cutting is about to be made.

As far as the island production goes it will not influence the local market prices at all, being too insignificant in quantity, while the hay from the Fraser delta, only amounting to a few thousand tons, will not have any great effect. A leading dealer said today: "A certain amount of hay is imported from the Fraser

"A Babe in the House"

We have secured the rights to Marianna Wheeler's authoritative book, "A Babe in the House". A special edition, illustrated by Rose O'Neil and Shirley Kite, has been prepared, and will be sent to any address upon receipt of 10 cents in stamps, with your name and address.

Colgate Preparations enter intimately into the early days of baby's life, but the book covers far more than Talcs, Soaps, Toilet Waters, and Dental Cream. It gives authentic advice on the month-to-month feeding and care of the child.

Send ten cents in stamps with your name and address, and ask for the book, "A Babe in the House."

ACT REMOVES ONUS
FROM OFFENDERS

Police Must Serve Notice of
Intention, or Will Lose
Prima Facie Case

Under the old Motor Regulation Act, the onus rested with the accused to prove that he was offending, but under the 1920 Motor Act that onus has been removed, subject to one provision. This provision states in effect that if the police notify the accused in writing of their intention to prosecute, on special type of form, and forty-eight hours prior to the serving of the summons, they will be

To Have Perfect Skin
Throughout the Summer

This is the season when she who would have a lily-white complexion should turn her thoughts to mercurized wax, the firm friend of the summer girl. Nothing so effectively overcomes the soiling effects of sun, wind, dust and dirt. The wax literally absorbs the greasy, discolored, withered or coarsened skin, bringing forth a brand new skin, clear, soft and girlishly beautiful. It also unclogs the pores, removing blackheads and increasing the skin's breathing capacity. An ounce of mercurized wax, obtainable at any drug store, applied nightly like cold cream, and washed off mornings, will gradually improve even the worst complexion. There is nothing better for the removal of tan, freckles or blotches.

ORANGEMEN TO BE
ADDRESSED HERE BY
COMMISSIONER EADIE

Orangemen this year will hold the annual service, prior to the anniversary of the Battle of the Boyne, at Pantages Theatre on Sunday afternoon at 3 o'clock. The occasion coinciding with the visit of Commissioner Eadie, chief officer for Western Canada of the Salvation Army. Commissioner Eadie will be the speaker. The Commissioner will be

able to place the burden of proof back on the shoulders of the defendant, as formerly.

This means, in effect that if any man is caught speeding—and he refused to see the police or to take in a written notice, he will not be required to prove his case, but it will be incumbent on the police to prove the man guilty, according to officials at the court to-day. City Prosecutor Harrison told The Times to-day that the new act as constituted was hardly likely to mitigate the list of offences under the Motor Act, that has been steadily growing for months past now.

A PLAYGROUND?

The Weekly Gazette, Point Grey, is informed by local residents that Stevenson School playground is a little used that the grass on one side this year is to be cut for hay. The playground surrounds the extensive school building and its outside fence measures 80 yards by 100 yards.

FOR RESULTS UTILIZE TIMES WANT ADS

FINDS BERRY CROP ALMOST IMMUNE

Comparative Freedom From
Insect Pests Is Reported by
R. C. Treherne

A favorable report, on the whole, of the fruit plantations of Gordon Head and Keating is given by R. C. Treherne, entomologist in charge of the British Columbia Division, Federal Department of Agriculture, who is here lecturing for the Summer School, and making an inspection of the Department's work which is carried on in conjunction with the Provincial Department of Agriculture.

Mr. Treherne has had many years experience with regard to the local crops from an infestation point of view, and not only had charge of the strawberry weevil investigations some years ago upon which he issued a bulletin, but took an active share in the examination of the pear thrip attack on Saanich orchards.

When The Times saw him last evening he had just returned from Keating, and having already visited Gordon Head, he was able to speak satisfactorily of the condition of the crops, which while they are somewhat short from a production standpoint, are encouraging from the standpoint of healthy freedom from pests, in spite of the rather pessimistic reports circulated recently with regard to the return of the strawberry weevil, which caused so much trouble a few years ago, and threatened the future of some soft fruits on the peninsula.

Mr. Treherne will stay at the Dominion Hotel about two weeks, and then will return to his home at Vernon, in order to arrange for a British Columbia meeting of the orchardists and entomologists of the Pacific Northwest. Oregon had the convention in 1918, last year it was at Pullman, Washington, and this year it will come to the Okanagan. Mr. Treherne will make the arrangements for the entomologists.

He has been recently engaged on an important investigation into range conditions from a scientific standpoint in the Cariboo, where cattle pests required examination.

WIFE BEATS DEATH BY SEAPLANE RACE TO JUDGE'S BEDSIDE

While Death Hovers Over
Seattle Jurist Here, Wife
Speeds Over Straits

Judge Frederick V. Brown, of Seattle, general attorney for Great Northern Railway, western division, died yesterday afternoon at the Empress Hotel from heart failure.

The judge became ill shortly after midnight. A. Simpson, of the hotel staff, summoned Dr. Hermann M. Robertson, who gave administration to prolong the jurist's life, and then got the long distance telephone to Seattle. Over this he informed Mrs. Brown of her husband's condition and urged her to rush to Victoria.

The first boat to Victoria did not leave until 9 o'clock in the morning, arriving here at 1.15 o'clock. This might be too late if she wanted to see her husband alive, Mrs. Brown was informed.

Shortly after 3 o'clock yesterday morning, through Mr. Hall, a friend of both Judge Brown and President Boeing, of the Boeing Aeroplane Company, of Seattle, Mrs. Brown and her daughter, Mrs. Ross, had arranged to come to Victoria by seaplane.

Fly Across Straits.
At 7.05 o'clock the two women in a Boeing seaplane, in charge of a pilot, sped out of Seattle harbor in a race to the judge's side at the Empress Hotel. The plane landed at the Royal Victoria Yacht Club at 8.20 o'clock. Fifteen minutes later they were at the Empress Hotel. The judge did not die until 2.30 o'clock in the afternoon.

Judge Brown was 58 years old. He was born in Michigan. He lived in Minneapolis and was a member of the bench in the Hennepin County Court for many years. Twelve years ago he came to Seattle as general counsel for the Great Northern.

Noted For Culture.
The judge was prominent in civic and club life in Seattle. He was cultured, a noted toastmaster and a literary authority. He had a magnificent library and associated with men of literary attainments. During the war he was a Red Cross leader and when the railways were taken over by the Government he acted in the capacity of counsel for the Government.

He underwent a serious operation in Seattle last March. For the last three weeks he had been in Victoria convalescing. He was making rapid progress towards recovery.

Frederick Bausman, formerly of the Supreme Court in Seattle, who has been in Victoria for several days, stayed with the judge after he was stricken.

The body was removed to the B. C. Funeral Parlors and was shipped to Seattle this afternoon.

11TH MACHINE GUN BRIGADE

No. 1 Company, 11th Machine Gun Brigade, will carry out range practice at Clover Point ranges at 7 p.m. on Thursday, July 8.

A full attendance of all ranks is requested.

MAJOR C. S. COWAN, M.C.
Officer Commanding, No. 1 Co.

A soldier was asked in the usual way what his religion was. He didn't seem to understand the question.

"Well, where do you go on Sunday?" asked the officer.

"Rat-catching, sir," was the unexpected reply.

"Ah right," commented the officer, with admirable presence of mind, "put him down as a Jew."

THIS TREAD CONSERVES TIRES

Goodyear Service Plan Provides a Bonus of Mileage Greater than any Discount in Price You could Hope to Secure

The development of the All-Weather Tread is in keeping with Goodyear policy — to conserve tires; to get for motorists greater mileage and so lower cost-per-mile; to disregard price, if the cost-per-mile is lowered.

The All-Weather Tread is tough and long-wearing, adding extra miles. It resists punctures and cuts which so frequently neglected, let in water and sand to rot the fabric. This tread combats skidding which wears down the tread and weakens the tire carcass.

Its adaptability for all-wheel use aids further in tire saving. No tire change you may make spoils the balanced appearance of your car. This permits balanced wear on all tires.

This tread is one factor in the Goodyear Conservation Plan. This plan embraces many other Goodyear Tire Savers which prevent or cure tire injuries, and definite, personal help from Goodyear Service Station Dealers in securing a lower tire cost-per-mile.

Because of steadily increased quality with the mileage making service of Goodyear Service Station Dealers (which means lower cost-per-mile) Goodyear Tires have become the largest selling brand in the world. This gives a final tire-cost below that of any tire which sacrifices quality or service to achieve a lower price or "special discount."

METHODIST CHURCH

MARKS ANNIVERSARY

Duncan Building Is Re-opened After Repairs Following Fire

Duncan, July 6.—On Sunday and Monday last the Methodist Church in Duncan celebrated its thirtieth anniversary, and also reopened the church after repairs had been effected following the recent fire. On Sunday evening about 150 people listened to Rev. Dr. Batty, of Centennial Methodist Church, Victoria, who preached a powerful sermon, taking as his text "And they found Him in the temple sitting in the midst of the doctors." Special music was rendered by the choir, assisted by two soloists from Victoria, N. Collins and J. Mitchell. The collection at this service, over \$100, will very nearly cover the debt now on the church. On Monday evening the Ladies' Aid prepared a banquet, and Rev. Dr. Batty gave his lecture, "John Bull and Miss Canuck." The lecturer spoke for ninety minutes on the Old Country and Canada, their history, traditions, greatness and possibilities, and also of the tie that bound these two countries together. A hearty vote of thanks was tendered Dr. Batty at the close. Toasts at the banquet included "The King," by R. A. Thorpe, "Canada," by A. A. B. Hird, who gave an eloquent address on the greatness of Canada and Canadians. "The Ladies," by Rev. Stephens, responded to by Mrs. J. N. Ash. The proceeds, about \$75, will be devoted to interior furnishings of the church.

VANCOUVER ISLAND NEWS

Medals to First Aid Students

Nanaimo.—The final social of the season of the Ladies' Home Nursing Class and the C. W. Company's employees' First Aid Class, was held in the Oddfellows' Hall, a very pleasant evening being spent.

Advantage was taken of the occasion to present the medals to the successful students in the first year First Aid Class, the winners being:

1st, gold medal and \$25.—R. Barrass, Jr.

2nd, gold medal and \$10.—R. Humphreys.

3rd, gold medal.—J. Hines.

The members of the Ladies' Home Nursing Class, presented their instructress, Mrs. Joseph Kneen and Miss Irene McGarrigle, with tokens of their appreciation of the work done by them for the class, and the customary small gifts were also made to the doctors as a mark of appreciation of their services as lecturers and examiners.

Home Nursing Certificate

Nanaimo.—Results from the recent Home Nursing examination, under the auspices of the St. John Ambulance Association, have now been completed, the following ladies having duly qualified for the Home Nursing Certificate:

Miss Mary Graham, Mrs. J. Turner, Mrs. J. Fowler, Miss Winnifred Smith, Mrs. J. Swan, Mrs. Murray, Miss Lily Allan, Miss J. Carson, Mrs. L. A. Graham, Mrs. H. Woollett, Mrs. J. Scott, Mrs. J. D. Nichols, Mrs. W. Thorne, Mrs. Geo. Horne, Mrs. A. M. Bell, Miss E. Jones, Mrs. J. Hamilton, Mrs. I. Tait, Mrs. E. E. Bowers, Mrs. S. Davies, Mrs. J. McArthur, Mrs. A. L. Piddick, Mrs. J. McMillan.

Dr. W. E. Wilks was lecturer for the Home Nursing Class this year, assisted by Mrs. Jos. Kneen and Miss Irene McGarrigle in demonstrating and instructing in the practical work. It is indeed pleasing to note that all candidates sitting in this examination passed successfully, and reflects considerable credit on those responsible for their instruction.

Ganges Hospital.

WHAT A MESS!

The theatre was crowded, and the audience sat with bated breath as they watched the villain cross the stage and grasp the trembling heroine roughly by the waist.

"Ah! I know your father's secret," he hissed in her ear. "At last you are in my power. Will you become my wife, or shall I make it known to the world? I have discovered that he has 10,000 stolen tins of condensed milk stored away in his strong room. I am the only one who knows this secret."

"Have pity on me," implored the heroine. "What if it should leak out?"

"If it should leak out," replied the villain. "What a mess!"

NEWS AND NOTES OF THE MINES

A Successful Arrastra

Stating that their arrastra has been tested and can successfully crush the soft ore of the Spokane group, on the headwaters of the Canyon creek, Rube Laib, one of the Laib brothers of the Bayonne district, is now in Nelson, says The Nelson News.

Mr. Laib states that the Spokane group has been developed on three levels, by drifting, and looks well on all of them. The upper tunnel is in 120 feet, the middle tunnel about 125 feet, and the lower tunnel 655 feet, in addition to which there is 135 feet of cross-cutting.

Values in gold, silver and lead are about equal and some rich sorted ore is on the dump awaiting treatment.

Some time ago the Laib brothers sorted and packed along a new road a shipment for the smelter at a cost of \$40 a ton. A more recent shipment packed at Salm station cost them \$50 a ton.

During last winter Mr. Laib and his brother constructed a water-wheel and arrastra, and also installed copper tables and a concentrating table, and the whole plant, he says, works very smoothly. The ores are friable and break up sufficiently through a grizzly to feed direct to the arrastra without a stone breaker. The arrastra, built of three-inch timber and water-fed from the power-stream, comes up to all expectations.

Recently a visiting engineer could hardly credit that such a fine piece of mechanical construction could have been done by two men unaided, Mr. Laib states.

"Transportation is our big problem," said Mr. Laib last night. Canyon creek is the obvious route, because the trail would be downhill all the way, to where the creek empties into Kootenay lake. At this point there is a good landing stage, and ores could be shipped by the water route. Moreover, a trail this side of the mountain range following Canyon creek would open up and serve the whole Bayonne country.

"Fifteen miles of trail, it is said, would immediately open up a producing mine."

Mr. Laib leaves to-day for the mine, and only awaits the arrival of his brother to start up their operations, which they can over the table and stack up concentrates, etc., until transport facilities are possible.

Florence Mine.

The Florence mine is operating full blast, and the management has commenced the construction of another unit for the power plant. A total crew of about sixty men is employed, the mine operating two shifts and the concentrator one shift. About 150 tons of millfeed is coming down daily, and it is expected the mill will be able to ship 300 tons of concentrates a month. In the workings, it is said, there is abundance of ore in sight, and both the Fisher and Replacement veins are looking splendid.

China Clay.

England is the only country that exports China clay, the white earths of other countries being in no demand outside their centres of origin and only to a limited extent there, says The London Times Supplement. Roughly, two-thirds of the British trade is export. Of the total production of 94,000 tons in 1912 (the last normal year, 1913 having been the year of the clay strike), over 60,000 tons were exported. In 1917 the total production dropped to 59,152 tons and the export trade to 21,750 tons, while in 1918 the production dropped to 46,525 tons and the export to 23,464 tons. Last year the export rose to 28,543 tons, and the English clay men are reported going after the lost trade in earnest.

Silver Standard.

Work has been proceeding very favorably during the past few weeks on the Nine-Mile Road to the Silver Standard mine. Considerable slaughtering has been done along the side road, which permits widening. With the road finished this year an excellent bed will be ready for the heavy Spring hauling. Six men are here and will go into the hills on the new Government scheme for prospecting. One of the party is an old-timer of the district and claims the honor of having had the first option on the Silver Standard mine.—Prince Rupert News.

To Visit Trail.

J. J. Warren, president of the Consolidated Mining & Smelting Company of Canada, and S. G. Blaylock, general manager, have extended an invitation for the delegates to the Nelson International Mining Convention to visit the Trail smelter and be entertained there. This invitation will doubtless be availed of by many. The convention proper will last two days, July 21 and 22, and after that the delegates will be free to take in the excursion through the Slokan, or the Trail smelter trip, or arrange any private trip they like.

Mica.

Persons who are interested in deposits of mica should note the statement of the United States Geological Survey that only a large deposit of mica favorably located with regard to transportation and a grinding mill can be probably worked solely as a source of scrap mica for grinding. Most mica mines must also yield good sheet mica to make the mining profitable. Mica to be of value as sheet must yield rectangles at least one and a half by two inches, which must split easily and evenly, be free from cracks, markings and fracture lines, and be reasonably free from specks or foreign mineral matter. The size stated is the smallest rectangular size which is salable as uncut sheet, and the rough-trimmed mica-sheet must be nearly twice as large to yield the rectangle stated. In order to be profitable, most deposits must also contain some mica larger than one and a half by two inches.

If mica did not usually contain much foreign matter and did not have many fissures and imperfections—cracks, markings and holes—there would be no difficulty in obtaining all the mica needed. But, in proportion to the mica mined there is only a very small percentage of sheet mica which when finally prepared is of the proper quality to be used in the industries.

Good sheet mica should be so flexible that a sheet a thousandth of an inch thick can readily be bent into a cylinder one-quarter of an inch in diameter without showing any cracking.

There is also a great variation in the hardness of mica. The Geological Survey recognizes seven different degrees of hardness. Mica is often erroneously called lingule. This latter substance is a gelatin made of the air bladders of certain fish. The substance is soluble in water and burns readily, whereas mica is neither soluble nor combustible.

The production of the various kinds

of mica in the United States ranges from 3,900 to 5,000 tons a year.

Under New Name.

The Canadian Mining Institute has followed the example of the British and United States mining societies and has added the word metallurgy to its title. In future it will be known as the Canadian Institute of Mining and Metallurgy. The council of the institute has accepted the resignation of its secretary, H. Mortimer Lamb, with regret, and in consideration of his

long, faithful service and with the object of still retaining some of his talents for the institute, it has made him secretary emeritus.

Coal Production.

Coal production, both bituminous and anthracite, is increasing. The output of soft coal in the United States during the week ending June 12 being the largest since before the switchmen's strike, while the anthracite output is also the largest in recent weeks. The total output of bituminous coal in the week of June 12 is estimated at 10,332,000 net

tons. Compared with the 9,565,000 tons produced in the latest preceding full week, this was an increase of 8 per cent. The average production per working day was 1,722,000 net tons. This was still 6 per cent. below the rate just before the switchmen's strike and 17 per cent. below that of October, 1915. Incomplete returns for the present week indicate a further slight increase. The year 1920 is 25,000,000 tons ahead of 1919, but is 15,200,000 tons behind 1917 and 22,200,000 tons behind 1914. The production of anthracite during the

week of June 12 rose to the highest level attained in recent weeks. The week's loadings amounted to 34,900 cars. This indicates a total output, including mine fuel and local sales of 1,855,000 net tons. The cumulative output since the beginning of the calendar year now stands at 25,275,000 net tons. Compared with the year 1919 this is an increase of 1 per cent.

Magistrate: "Why were you in court stockinged feet?"
Burglar: "Because I heard there was sickness in the family."

Which Flavor do You Prefer?"

Chiclets come in two flavors just to please you. Take your choice.

Wonderful new Fruit Chiclets, luscious with the memory of sun-ripened fruits—golden oranges, red cherries, berries, pineapples—all Nature's sweetest products.

Or choose the old-time favorite tingling Peppermint Chiclets, cool and refreshing.

MAN KILLED BY A FALLING SNAG

Courtenay, B. C., July 7.—While fighting a fire at Camp No. 1 on Saturday night Emilio Glazao, an Italian in the employ of the Comox Logging & Railway Company, was killed by a snag falling on him. Evidence given at the inquest showed that Glazao was digging a trench to stop the fire when a snag fell without warning. The men had been warned by their foreman to look out for snags falling.

Glazao leaves a widow and a large family.

A verdict of accidental death was returned at the inquest.

BRITAIN'S RECOVERY FROM WAR FINANCE CALLED REMARKABLE

Country Spent in Six Years to Win War as Much as in 225 Years Previous

New York, July 7.—After spending as much in six years to help win the war as in the previous two and a quarter centuries and lending billions to her allies, Great Britain is coming out of the strain vigorous and to all appearances wholly solvent. During the white heat of the conflict her people paid one-third of her expenditures in current taxes. The Bankers' Trust Company, in a study of "English Public Finance," which was just published, discloses that for the six fiscal years, March 31, 1914, to March 31, 1919 (the war period), the Government expenditure reached \$11,245,000,000 (roughly \$56,000,000,000 or \$324,000,000,000) more than the expenditures for the previous 225 years.

The borrowings of Great Britain at their "maximum," according to the book, "on December 31, 1919, amounted at par value of securities issued to \$7,345,000,000, \$3,011,000,000 furnished by her own people, \$1,027,000,000 borrowed in and from the United States and \$3,300,000,000 borrowed from other foreign nations. On the other hand, Great Britain had then loaned to her allies \$1,656,000,000, so that the amount loaned abroad exceeded by \$486,000,000 the amount borrowed abroad. Thus it is seen that the 46,000,000 people of the British Isles raised entirely from their own resources, including taxes, a net amount of \$5,511,000,000 (roughly \$49,000,000,000) or over \$215 (about \$1,075) for each person of the population.

For the five years of the active war period taxation alone furnished an amount ranging from 25% per cent. to 44% per cent. of the annual expenditure. In the fiscal year ending March 31, 1920, taxes and other revenue produced 45 per cent. of the budget of \$1,652,000,000. Sales of war stores and the income provided another 16 per cent., so that in her first year of peace Great Britain "paid as she went" to the extent of more than 60 per cent. of her expenses.

30 Per Cent. Debt. In her second year of peace, the present year, she proposes not only to pay her expenses in full from income, but also to obtain a substantial surplus for reduction of her national debt. This may, at first glance, appear almost a hopeless undertaking.

But, as the study shows, the financial position of Great Britain, despite the unparalleled drain of the great war, is in reality not less stable than it has been in other cases which were easily weathered.

One of the most striking facts disclosed is that England's total net debt—on a "day-to-day" estimate—of \$7,345,000,000, compared with estimated national wealth of \$24,000,000,000, gives a ratio of debt to national wealth of about 30 per cent. This bears about the same relation of debt to wealth that existed at the close of the Napoleonic wars.

How the British financial stability was sustained is demonstrated by a survey of the operations of the British Exchequer—a romance—in national financing. The great event which plunged the nation and her finances into their most desperate venture—England's entry into the war in defence of Belgium's neutrality—occurred at the time of the Bank Holiday, August 1-3, 1914.

During Bank Holiday there is a suspension of all financial activities. The book says, afforded time for consideration of measures to meet the impending crisis. The holiday was lengthened to a week. In the interval Britain's financial leaders laid plans for keeping the situation in hand. Thus they started in the war with a grip on finances and the control never wavered.

Solved By Moratorium. New issues of government notes of £1 and 10 shillings denominations were arranged for to take the place of the £10 and £5 banknotes. A device adopted from American practice—were provided to facilitate interbank transactions. A moratorium, or limited period of suspension of payment of debts, was declared, and "panic" conditions thus were averted.

The Bank of England, under government guarantee against loss, arranged to discount pre-moratorium bills whether drawn by enemy allies or not, giving the acceptor the opportunity of making settlement later, interest being payable at two per cent. above bank rate. This action solved the problem of acceptances.

REPUBLICANS WILL WIN, SAYS TAFT

Montreal, July 7.—Ex-President William H. Taft, who arrived in Montreal this morning, expressed the following opinion of the political situation across the border: "I have absolute confidence that the approaching Presidential election in the United States will result in success for the Republican ticket, and that we shall have the League of Nations with the reservations necessary for the guidance and protection of our country."

COX CONGRATULATED. Dayton, Ohio, July 7.—Governor James M. Cox, the Democratic nominee for the Presidency of the United States, was busy at his office today reading thousands of congratulatory telegrams which have been pouring in.

One of the most highly prized felicitations came from Col. Henry Watterson. The Governor said he was particularly pleased over it because Col. Watterson represented to him the ideal journalist.

A TAXATION PROPOSAL. London, July 7.—(Canadian Association.) The suggestion of British industries has suggested the Prime Minister the setting up of a state finance council including business men to advise the Cabinet on taxation.

News of Markets and Finance

UNITED STATES NOW CANADA'S BEST BUYER

Exports to South Increase, While Those to Britain Show Big Decrease

Ottawa, July 7.—The United States now is Canada's largest customer, according to export figures for the fiscal year ending May 31, just announced.

The total exports to that country aggregating \$472,448,294, showed an increase of \$22,015,228 over the previous fiscal year, while exports to the United Kingdom, amounting to \$450,479,143, showed a decrease of \$101,729,035.

The total exports of \$1,259,208,294 as compared with \$1,177,349, which was accounted for by the cessation of munition shipments aggregating \$229,694,194.

Total imports of dutiable goods were \$752,077,597, an increase of \$236,770,565, and of free goods \$338,577,061, an increase of \$27,183,645. The heavy increase in imports was principally from the United Kingdom, the United States, British West Indies and Cuba.

LIGHTER FINANCIAL STRAIN ON RETAIL TRADE IS EXPECTED

Better Wholesale Situation and Demand For Cheaper Grades Noticeable

New York, July 7.—The financial strain on retailers in carrying on their business next fall, according to several leading merchants, will be lighter than it has been for a year or more. Three elements will be responsible for this. They are lower prices in some lines, ability to get goods without ordering in large volume a long time ahead and a trend toward a possible demand for lower quality goods.

Unmistakable evidence is at hand, say the retailers, that the public demand for the highest priced goods has been slackening. There has been a beginning to shop, to consider price and to make their purchases upon a basis of service, rather than mere style or beauty. This trend is nowhere more apparent than in the case of shoes. Retailers of footwear assert that in their experience this Spring, many of their old customers have gone to a lower quality shoe than they had formerly worn. The same thing has been noticed in the retailing of hats, and several hat merchants have lowered their prices to bring the retailer's price to the level of the shoe. The retailer's price to the level of the shoe.

Carry Reduced Stocks. The day of scarcity of merchandise also has passed, in the opinion of retailers, and the necessity of carrying large stocks to make sure of having the merchandise on hand when customers wanted it has disappeared. When it was impossible to jump into the wholesale markets and fill in on broken sides, the retailers were forced to order much more than their usual quantities to protect themselves. The retailer held the reserve stocks instead of the wholesaler. This necessitated a large outlay of money which was tied up in goods that were not turned over for several months. Hosiery, corset, shoe and underwear lines were the chief articles of merchandise in which the merchants were compelled to carry large reserve stocks. With wholesalers ready to fill orders at short notice, the condition is changed and retailers say they are preparing to reduce the amount of reserve stock carried.

Lower prices figure as the smallest element of the three. Silks definitely are established on a lower price basis. A few lines of shoes have been reduced by manufacturers and lower prices for woolen goods appear to be imminent. Apparel prices are on the fence, but indications point to their being lower rather than higher. Furniture and carpets will show little change, according to trade authorities, and furs undoubtedly will be lower.

JAPANESE SILKS DROP

Importers Have Met With Heavy Losses Because of Break in the Market.

New York, July 7.—Price revisions named by importers on Japanese silk goods have been extremely rapid and the drop in value of such merchandise has been fully as great as that so widely heralded in georgettes. The market as present is heavily stocked with Japanese-made silks and buyers are wary of them, no matter what price inducement sellers make. Some importers are offering their goods for re-export, rather than making an attempt to dispose of them here. For this reason a considerable quantity of habutai, pongee, etc., have not been released from the customs warehouse by importers.

It is understood that the losses by many importers have been extremely heavy because the Japanese sold out against letters of credit and collected for the goods as soon as they were ready for shipment.

STOCKS STILL STRONG IN WALL STREET

(By Burdick Brothers, Ltd.)

New York, July 7.—From the opening this morning stocks regained their strength of the last two days and some good advances were made. M. N. P. advanced 10 points from yesterday's low and also Crucible Steel put on five points. U. P. R. also had a better day, closing at 114 1/2. The copper stocks were also in better demand. Primarily as the result of copper metal to 15-cent level for July and August delivery. Rails were also in good demand. Traffic in moving freely in railroads and this service to promote a more cheerful view of the situation. All in all, the general situation seems to possess a stronger note of cheer than was the case a while ago.

TO-DAY'S EXCHANGE

Burdick Bros., Limited.

Montreal, July 7.—New York funds to-day, 14 per cent. New York, July 7.—Demand sterling to-day, 12 1/2 per cent. London bar silver to-day, 52 1/2 per cent. New York bar silver to-day, 50.89 1/2 per cent.

SOFT CLOSE IN CHICAGO GRAINS TO-DAY

(By Burdick Brothers, Ltd.)

Chicago, July 7.—The market opened with very little change from the close yesterday. Short covering advanced the market two to three cents, but when the hour started bringing out the rumors of favorable weather and bumper crop prices began to sag, and the close found prices at their lowest level for the day. Oats followed corn and closed weak.

TO-DAY'S TRADING IN WINNIPEG MARKETS

Winnipeg, July 7.—The excellent demand which has been prevailing for the past few weeks for cash oats weakened somewhat to-day. It being reported that Eastern buyers' demands have been satisfied. Ayrers were reported to have fallen off from 1 to 1 1/2 cents. A good demand continued for top grade cash barley, with offerings being closed weak.

Cash money steady; high 8; low 7; ruling rate, closing bid 7; offered at 7 1/2.

COPPER MARKET SOFT

Small Producers Now Selling Under Market Price; Buying Indicates No Urgent Need.

New York, July 7.—While the large producers of copper are holding firm for 19 cents a pound, the fact remains that the market has been undergoing a softening process during several weeks which is beginning to make itself manifest to any prospective purchaser of the metal, says The New York Times.

High-Yielding Bonds

WE are constantly in touch with the bond market throughout the country, and own to hold powers for owners of a select list of long-term, high-yielding bonds. These are most desirable securities and constantly in demand in these days of unusual conditions in the financial world.

Phone, wire, write or consult personally with the bond manager regarding these bonds.

Burdick & Son

Financial Agents

B. F. Cuthbert, Bond Manager, Telephone 674.

DIVORCE CONFIRMED.

Paris, July 7.—The Court of Appeals to-day upheld the decision of the lower courts granting Frank Jay Gould a divorce from Edith Kelly Gould.

BARBERS ON STRIKE.

Montreal, July 7.—Two hundred barbers, members of the local union, went on strike this morning.

Silversmith Common

Since the beginning of the year this stock has steadily gained, and is still climbing. This advance is justified by the following reasons:

1. Outstanding liabilities have been paid.
2. The Mine is producing on a large scale, the operation being very profitable because of the high price of silver.
3. The agreement between the Silversmith operators and miners has prevented labor trouble prevalent in other parts of the Sloean.
4. The development operations done during the past year have rendered accessible huge reserves of high grade ore, ensuring a very long period of profitable mining.

We advise the purchase of Silversmith as an investment with excellent possibilities for profits.

JEWELRY TRADE DULL

Retailers Have Heavy Stocks on Hand; High Grade Watch Orders Heavy.

New York, July 7.—Manufacturing and wholesale jewelers are not doing well. The dullness now prevailing in their trade.

The hesitancy of the retailer in placing new orders for more goods is explained by the fact that buying was exceptionally heavy up to a month or so ago, and that the end of the jewelry strike enabled manufacturers to dispose of many orders that were delayed. This has given the retailer fairly heavy stocks with which to operate and until these are reduced, not much activity is looked for in wholesale circles.

Agents for high grade American-made watches would be just as well pleased if they received new orders for several months, they assert, and new orders could be delivered only at the expense of shoving the old orders further back on the list or cancelling them.
